Lay Plans for Franklin's LL

FRANKLIN — Registration forms for boys 8-12 interested in Little League baseball, are being distributed now in Franklin and Wing Lake schools and are available at Franklin Hardware store to boys attending other schools. They must be returned to the League by April 1.

At a recent meeting of the board of directors it was decided to remain independent rather than join the national league. Play will start in May, and end in July which is earlier than last year.

Besides the donations received from all the parents, the league will solicit funds from local organizations. The money is needed for new backstops, ground maintenance during the season, and, uniforms for at least two new teams.

CONTRIBUTIONS MAY be sent to Thomas Tashey, treasurer, Box 701, Franklin.

Cal Thomas, president, reports there is a shortage of umpires and requested phone calls from any interested arbitrators.

Other members of the board of directors are: Jim O'Neil, past president; Fred Ziegel, vice president; and Dave Bartleson, secretary. Also George Specht, Leonard Pogue, Claude Cook and Arnold Patterson.

MR. AND MRS. Norman Terry of Dover Ct., Bloomfield township, were obviously pleased when a photographer snapped this picture of the man and wife angling team and their string of 50 speckled perch, caught last week in Howey-in-the-Hills, Fla. The Terrys' secret for getting the limit—live Missouri minnows.
