DONALD R. ODLE, 30765 Adair county, a free lance illustrator, having attended Flint junior college and the Art Institute of Chicago.

He is a member of the Franklin Men's association, and has been an active member of the Franklin Village players as an actor and director. He has participated in the Winwood Hill neighborhood association during the seven years he and his family have lived in Franklin. Mr. Odle has two sons, Don, Jr., a senior in Birmingham high school, and Robin, in the ninth grade at Derby Junior high. His hobbies are gardening, electronics, photography and music. He is a former Detroit resident.

I am interested in retaining our present form of tax free government, Odle stated. There's a job to be done, and it is everyone's duty to cooperate and do his share.

EDWIN C. PAIGE, 56 of 26220 Nemesia, is manager of the commercial engine and fleet technical service activities for the Phylax having been connected with the company 27 years.

A graduate of the University of Maryland, he is a member of the Beta Pi, honorary engineering fraternity, and Alpha Tau Omega. He has worked on several committees for the Society of Automotive Engineers and the Michigan Trucking association.

Paige raises and shows dogs and is president of the United Afghan hound club, and a member of the Oakland county kennel club. He belongs to the Franklin Men's association.

Even before my wife and I moved here in 1943 I thought Franklin was a lovely place in which to live," Paige said. "I want our fine residential area to remain as it is, without any more commercial development."

Paige was one of the originators and is currently on the board of directors of Franklin Foods, Inc.

JACK ROBERTS, 30621 North Greenbrier, has lived in Franklin all his life and is connected with Paul Scheffel, real estate. He attended local schools and Michigan State university.

During World War II Roberts spent four years in the navy. Roberts has always been active in community affairs. He is currently police chief of the Franklin volunteer police department, and active fireman for the Franklin volunteer fire department.

He is past president and member of the board of directors of the Franklin men's association, and a member of the Franklin Village players and the Franklin community church.

He is the organizer of the youth recreation program which is now getting under way. Although he has two daughters, he participated in the Little League baseball program last summer.

"We incorporated to keep the identity of our village," Roberts said, "and I'm going to do what I can to help us continue to keep our identity. No village, no individual, no group can stop progress. I am in favor of progress, but it must be well planned and benefit Franklin as a whole."

ROBERT G. YINGLING, 22265 Wing Lake road, a graduate of Lehigh university, is an engineer with the Climax Molybdenum Corp. in charge of arc melting and fabricating.

He is co-chairman of the anti-turpentine committee for Franklin, and was formerly communications director of civil defense for Southfield township. He is radio engineer and volunteer fireman for the Franklin Volunteer fire department. Yingling is secretary of the board of trustees of the Franklin Community church.

He is a member of the American Society of Metals, the Franklin Men's association and the committee for Scout troop B-11. Yingling, his wife and two teenage children have lived in Franklin all most four years.

"Franklin is a unique community, not of residents, but of neighbors," Yingling said. "If this is a result of time having forgotten Franklin, then we should let time forget Franklin a little longer. With proper long range planning, and a tight rein on expenditures for short term uses, Franklin can continue to be a place where neighbors want to live, even with a limited village budget."

LEGAL NOTICE
SALE OF FRANK HOUSE
The City of Birmingham is offering for sale the frame residence at 210 Rowland Street. Bowed proposals for the purchase of this building will be received in the office of the City Clerk, City of Birmingham, until 5:00 p.m., March 8, 1951, at which time they will be publicly opened and read.

This building is on the site of a proposed municipal parking lot and is offered for sale to be either wrecked on the site or moved to some other location. If the building is to be moved, the proposal must include a reference to proposed location. A \$100 cash deposit is required of the successful bidder to move the house in order to complete the sale. Thirty (30) days after the date of the successful bid, the City Commission will be required to furnish a performance bond, on the terms of the City of Birmingham, and to comply with the City Charter and Ordinances.

The City Commission reserves the right to reject any or all bids, to waive any irregularity, and to accept any proposal it considers to be in the best interests of the City.
