**Recreation Program Planned at Eastover**

A summer recreation program will be ready to go into full swing June 24, at Eastover school. William McGuire, the school principal, has had much experience and success with this same type of summer program for children at the Wing Lake school these past two years.

All parents of children attending Eastover and all those in the North Adams area are urged to give this program some thought. The registration deadline is May 15.

The "junior program" is for children in first and second grades. Their session runs daily from 9:30 a.m. to noon, for the season of June 24 through August 2, and the fee is \$12.50. Among the many things planned for this program will be active play, equipment games, organized play, nature hikes, story time, kick ball, crafts, picnics, parades, play circus and soft ball.

The "regular program" is for children in the third through sixth grades. The fee is \$20.00 for the season, and the hours are from 9:30 a.m. to 3:00 p.m., with an hour out for lunch at noon. To keep the interest of these children there will be arts and crafts, dramatics, skits, program planning, summer news sheet, soft ball, baseball, volleyball, basketball, shuffleboard, table tennis, shuffleboard, hikes, picnics, net shows and over night camps. Three qualified teachers will assist Mr. McGuire with the program, which is sponsored by the Eastover Parent-Teachers organization.

**HOW THE PROFESSIONAL CLEANS WALL-TO-WALL CARPETS!**

Whether it's your children's playground or just an expensive investment, you want the protection, the security of total cleanliness — you want your carpets "deep-clean."

WALL-TO-WALL CARPETTING can be cleaned right in your home. Our careful craftsmen use only the most efficient machinery available to give your carpeting "owner care."

FIRST, your carpet is thoroughly vacuumed with a powerful commercial type vacuum to remove all loose dirt. Then every fiber is scrubbed with a nylon rotary scrubbing machine, using a neutral, synthetic detergent foam.

Next, it is vacuumed to remove every last trace of dirt and all excess foam. The pile is brushed with a professional pile brush, to give your rug a uniform, finished appearance, and to prevent shedding. All your furniture is moved and then, after your rug has been cleaned, it is put back in place on polyethylene pads so that you can live in your rooms right away.

To find out how inexpensive beautiful, bright, fluffy carpets are to maintain, all you have to do is call LI 7-2922.

Houseguests at the Bollingbrook home of the Paul Johnstons were Mrs. Johnston's parents, Mr. and Mrs. Manning of Buffalo, N. Y. They were here for a ten day visit and were driven back to Buffalo by the Johnstons last weekend.

Recent houseguests at the home of the John Kinseys of Hylane drive were Mr. and Mrs. Ernst Thielicke, of Karlsruhe, Germany. The Thielickes spent five days with the Kinseys before going on to Marathon and Key West, Fla. where he will do underwater photography as a skin diver, before leaving for South America.

Eastover school's new Troop B-14 of the Boy Scouts of America, received its charter presentation last week in the school multi purpose room. Hugh Gamble, scouting representative of district 1, Detroit area, presented the charter to Douglas Clark, institutional representative of the Parent-Teacher Organization, as the five boy scouts and their scout master, Murray Osborn, looked on. The boys in the newly formed troop are: Rags, John L'Hote, Robert Cowen, James Hengel and Clifford Cook.

Newcomers to Far Hill drive, Hickory Heights, are Dr. Mrs. William Koehler of Royal Oak. Dr. Koehler is a physician and has his offices in Royal Oak. Their two children, William, 16, and Kathleen, 14, attend Judson School

in Scottsdale, Arizona. Among the Koehlers' hobbies are music, travel and golf, and they are members of Red Run country club.

The Kenneth Brookers are, also newcomers to Far Hall drive, Hickory Heights. Their move was from

Berkley. They have three children, Jim, 18, Bob, 8, and Ricky, 6, pupils at Pembroke. Mr. Brooker is an engineer at General Motors Tech Centre and belongs to the Society of Automotive Engineers. Landscaping will be the family's hobby for some months to come.
