

## HOME AND GARDEN SECTION

Spring is here in full bloom. For many of us those fresh spring breezes

mean lawn and garden time. There are other

chores, too, that find their season when the sun shines.

Spring housecleaning, painting, redecorating and remodeling, they're all part

of this wonderful time of year. Here in the pages of our

Home and Garden Section you'll find many useful tips of a "how-to-do-it"

nature. You'll find listed also, dozens of products designed

to make your home and garden labors more productive and more enjoyable.
