

Start Their Planning for Fall Drive

Torch drive residential chairmen of the Birmingham-Bloomfield-Franklin region planning a recruitment campaign for the annual fund-raising drive at the home of Regional Chairman Mrs. Joseph C. Dodge, 843 Saffield. From left to right, seated, are: Mrs. Clyde C. Bennett Jr., Birmingham division co-chairman; Mrs. Dodge; and Mrs. Raymond G. Bower, Bloomfield Hills. Standing: Mrs. Edward B. Hall, Oakland Hills; Mrs. Donald W. Richards, Wing Lake; Mrs. James E. Charbonneau, Bloomfield Village; and Mrs. John V. Canavan, Beverly Hills. Ninth Annual Torch Drive, to be held Oct. 15 through Nov. 7, will raise money for 1968 budgets of 150 health and community service projects.

Suburban Sentiment
 THE EARLY BIRDS
 By Lynn Carter
 Before it's really time to start they get out seeds and tools; I think they must have lost their minds—
 Those April gardening fools.

HOLD IT!
 Before you sign for a small car—

READ THIS STARTLING FACT
 5 out of 10 Smaller Cars wear a Pontiac Price Tag —yet none gives you Any of Pontiac's Advantages

NO CAR AT ANY PRICE PERFORMS LIKE A PONTIAC... SMALLER CARS AREN'T EVEN IN THE RUNNING!
 If it's proof you want, your Pontiac dealer is loaded with it—point-by-point engineering comparisons and on-the-record facts and figures. No smaller car is designed or powered to come close to Pontiac's eye-opening performance... alert, reflex-action response... and its smooth, effortless mastery of every driving demand. Check the facts and then put them to a test. Try a demonstration drive over your own route—in downtown traffic or out on the highways and byways. Let America's Number One Road Car show you what it can do—and you'll leave the little league behind for good!

YOUR MONEY ACTUALLY BUYS UP TO 8.9% MORE SOLID CAR PER DOLLAR IN A PONTIAC!
 The so-called "low-price" cars fall far short of Pontiac in actual, measurable car—and your Pontiac dealer has official specification comparisons to prove it! No smaller car comes even close to Pontiac's rock-solid construction... from its rugged X-member frame through every inch of its heavy-duty running gear Pontiac is muscle all the way! This extra heft means Pontiac holds the road like no smaller car you've ever driven... gives you a ride remarkably free of bounce, shake and noise! Put all the facts and figures to your own personal road test. Call your own shots and see how Pontiac's Precision-Touch Controls give you steering, braking and parking ease out of reach of the small jobs!

WITH 4 TO 7 EXTRA INCHES OF WHEELBASE, PONTIAC OUTCLASSES THE SMALLER CARS IN RIDE AND ROADABILITY!
 Pontiac's length is built in—not hung on! Smaller cars extend bumpers and fenders to look big, but Pontiac doesn't need camouflage... it is big! Its man-sized 122-inch wheelbase strides over the bumps instead of riding on them. This extra length, plus a carload of new suspension ideas, results in Pontiac's exclusive Level-Line Ride that no car at any price can surpass! Sample a few miles—and you'll never re-enlist in the small-car army again!

PONTIAC HAS ALWAYS COMMANDED A HIGH TRADE-IN DOLLAR!
 When you put your money in a Pontiac you know your investment will be riding high for a long time to come! In fact, over the years, no car has a better reputation for being a top-demand used car. So before you sign on the dotted line for a smaller job at Pontiac's price—get the dollar-stretching good news your Pontiac dealer has waiting for you. Here in the easiest move of your life are the car and the value that will get you out of the small-car class for keeps!

"Can You See, Steer, Stop Safely? ... Check Your Car—Check Accidents."
