Some 300 students were honored for outstanding achievement in sports, art, public speaking, student service and music at the annual honors assembly held last week.

The Principal's award, always given to a junior girl and boy marking the typical Southfield students, went to a brother-sister team, Michael and Karen Larson. A journalistic award was given to Sharon Ashley and Jerry Londal received the Kiwanis award.

Recently returned from a fishing trip with his dad in Canada, Albert Landeck tells of the huge 3-foot waves that came up while they were five miles from shore. With the waves practically swamping their canoe, what else, but they run out of gas. Rub is they had the gas, but dared not refill the tank lest they overturn the boat. What nicer job than to paddle five miles through high waves to shore?
