Paulsens Are Back From Their Trip To England, France

Mr. and Mrs. Glen Paulsen and two children of Eastmore road recently returned from an extended stay in Europe. Mr. Paulsen flew to London, England to represent Euro Searle Associates, of Bloomfield Hills, as design coordinator of the new American embassy in London.

When he found that his work would keep him in London longer than he had anticipated, Mrs. Paulsen and the children left the States to join him. They sailed aboard the S.S. United States on April 2.

Tommy, 10 years old, particularly liked the changing of the Guard at Buckingham Palace and his visit to the Tower of London. Nancy, 7, was much more impressed with the Royal Ballet. Both youngsters returned laden with pictures to show their school chums at the Walnut Lake school.

Before returning home the family rented a car and toured the chateau country and Normandy coast of France.

Burned Fingers Worth It, Girls Say, After Quiting

Girl Scout troop No. 392 can testify to this since their outing Saturday morning when they hiked one and a half miles to the home of Linda Westcott where they cooked french toast, pancakes and bacon and eggs on the tin range.

On the hike back, the 17 girls and their leaders, Mrs. Willard Chaptoun, Mrs. George Howard and Mrs. William Worcester worked on their second class rank by identifying leaves.

Tuesday they will join the other fifth grade troop No. 390, in a father and daughter square dance at the Franklin Community church.
