Adams Road Crash Injures 4 Persons

BLOOMFIELD TOWNSHIP—Four persons were injured in an accident at 6:20 a.m. Wednesday when a car driven by Mrs. Ruth Clark Cupari, 2685 Auburn, Pon-tiac, sideswiped another car going south on Adams road one-half mile south of Westview.
Township police said Mrs. Cupari was traveling at a high rate of speed when she cut off a witness's car and sideswiped the car driven by Charles Ebarra, 1362 Bradley, Birmingham.
Passengers in Ebarra's car were Angeline Ebarra, 37, and John Ebarra, 64. All were taken to St. Joseph's Mercy hospital, Pontiac, for examination.
Mrs. Cupari, 21, suffered severe abrasions.

Why?

Call It a Bayonet?

Bayonet comes from French bayonnette from town Bayonne in the Basque country of France. This weapon was said to have been invented. As a dagger with round wooden handle, affixed in the muzzle of musket, it was first used during the reign of Louis XIV in war with Spain and Savoy. Device for securing it into barrel came soon after.

People's Column Mothers Lifted Onto a Pedestal

Let not the Town become alarmed when, during this week, they do observe the women working, talking, walking about, and driving their cars with their heads held real straight and their backs not bent. They are getting ready to be—Crowned!
On Sunday, before the earliest bird has finished his first song, before a tulip has the chance to unfurl her petals, before the milkman has made his deliveries, the Mothers in all the households will have been lifted, mentally, onto a Pedestal and there, for the whole day, they will be obliged to stay.
