State Plans X-Ways Thru Troy, Lathrup

Would Parallel 11 Mile. US-10

See Map on Page 1-E

The exact routes of several expressways scheduled to run through parts of Oakland county apparently are known to only State Highway Commissioner John C. Mackie and his staff.

Mackie revealed the brdad outline of a 10-year expressway program for the Detroit metropolitan area last Thursday at the opening of the Davison interchange of the John C. Lodge expressway in Detroit. The properties of the John C. Lodge expressway in Detroit and paccompanying Mackie's announcement, the state plans a north-south expressway from the vicinity of 11 Mile and Stephenson highway in Royal Oak, north and westerly through Royal Oak, perhaps Clawson, the southwest part of Troy near Birmingham, then northeast corner of Bloomfield Hills to the southeast corner of Pontaic.

Tax assessment procedures in Birmingham are basically sound, and result in fair and equitable assessments, a special three-man committee officially reported this week to the Birmingham city commission.

This two-year study substantiates assessing policies of former City Assessor Elmer W. Haack and present Assessor Clark Hagstrom.

The special committee made four suggestions it feels will further strenthen the city's assessing methods:

1) To provide more field inspective the committee of the committee of the city assessing methods:

1) To provide more field inspective the committee to all the city assessing methods:

1) To provide more field inspective the committee of the committee were flower and the committee the committee the committee were flower and the committee were flower which we were and the committee were flower which we were and the committee were flower and the committee were flower and the committee were flower which we were and the committee were flower and the committee

Assessments Are Sound

Special Committee Reports Findings

B'ham Tax

By GEORGE WM. AVERILL

Begins Here

A survey of Birmingham area recreasional facilities and future needs, sponsored jointly by the local YMCA and the adult education Michigan, is underway here.

The check, to be completed late next apring, will serve as a guidenext apring to the server apring the server apring the server aprince of the server apring the server as a sampling of 450-500 residents in the Birmingham Bloomic field Hills-Wing Lake-Troy area deterts in the Birmingham Bloomic field Hills-Wing Lake-Troy area titles and recreational activities are undesired.

The committee for the job it did and the mine it put into the investigation. The server approach is put to the intermediate support and thanked the system time to prove the pool to the intermediate port of the committee of the put of t

building. IN BIRMINGHAM, assessments average 80 per cent of this conassessment averages between 33 and 30 per cent of the value which would result if the proposed 1935. For example, a home with a fair market value boday of \$22,500 would be on the city's assessment figuring from the 1941 base. This is 90 per cent of the base year. If the 1955 base were used, the listed at \$8,000, which is just under 36 per cent of the 50 per cent of the 1955 base.

STRICTLY FRESH

Hills Students View Conduct Here's the panel of student council members who presented to parents last week their preliminary views on what a teen conduct code should contain. The young panelists, seventh and eighth grade Bloomfield Hills junior high school students, are (from left) Diane Hubert, Sheryl Seaman, Kris, Forrester, Karen McAlpine, Sandy Sarnes and Jim Scott. Not shown is Student Council President Martin Sloam and Seretary Barbara Stelzer, who sat at a separate table with the council's teacher advisor, Lloyd Eberly.

Panel Discusses Bedtime, Jobs at Home, and Money

dents covered everything from a proper bedtime to allowance and jobs around the house.
