

What child could resist this lovable brown and white stuffed dog, a German import? Janet gave this stuffed pet a hearty embrace when she saw him at Jacobson's Children's Shop on N. Woodward. The price is \$100.

These Gilbert and Revell electric trains, which sell for \$14.95 and up at Higgins and Frank in the Wabeek building on Woodward, would provide many enjoyable hours for Bob (left) and Jim, if they can beat their father to the switch.

### Plane Assembly Kit

Any air-minded boy probably would be delighted to receive an airplane assembly kit for Christmas.

### Queens of 1957

Washable skin and hair, teenage figures and wonderful wardrobes are featured in miniature dolls, Queens of 1957 toyland.

### Giant Size Blocks

Children usually are very interested in blocks. This year a new giant-size nested blocks, strong enough to support a child's weight, add a new dimension to play.

### Educational Game

Clock and calendar is an educational game to help raise the intelligence quotient of the youngsters in a pleasant way.

### Newly Styled Bank

"A penny saved is a penny earned" probably will be the motto for boys and girls who receive a newly styled bank, modeled after their favorite pooch, this Christmas.

### New Hand Puppets

Among the new hand puppets available for this Christmas are Captain Kangaroo's Bunny Rabbit and Meekle of "Heckle and Jeckle."

### For Young and Old

New things being offered this year for young and old railroaders is a snow plow, self-powered with a continuous rotating radar antenna.

This electronic anti-aircraft gun, called a pom-pom gun, is real handy for knocking imaginary airplanes out of the sky. The price is \$12.95 at Babyland at Miracle Mile.

## SHADES OF CASEY JONES!

The thrill and romance of railroading will come to life for your youngster when he sees the realistic HO Gauge train models we have displayed in our Jr. Shop.

HO Gauge model trains are among the most realistic in detail (engines that really "Chug" and smokestacks that really smoke) and are practical too. You can put a complete layout with bridges, landscaping, switches, and the works in a corner of your basement.

Model trains are only one of many types of models you'll find here. We also have an exciting display of model planes, boats, and sport cars. For the space modeller we have plenty of space rockets and such. We also have electronic and scientific models.

Stop in at our Jr. Shop. You'll find the models your youngster wants, together with as fine a boy's clothing department as you will find anywhere.

Train models start at \$14.95
