MEXICAN Guitarist
by Francis de Erdely.

Artists-Craftsmen To Display Works

Outstanding California artists,
such as Francis de Erdely, Leo
Mulligan, Maria Kipp, Gertrud
and Otto Netzer recently appeared at
the annual presentation at the Lit-
tle Gallery.

Francis de Erdely has become
an old master in his own lifetime.
His method is realistic and expres-
sion is romantic. Leo Mulligan on
the other hand is more concerned
with that shadowy area where the
conscious and the unconscious
merge.

Maria Kipp, one of the truly
great weavers of this country, has
sent a group of magnificent pieces
of which the best description would
be "luxurious roughness." Com-
posed mostly in the beige to dark
brown range.

David Lemon is a sculptor with
a special affinity for wood. His
abstractions always retain a re-
alistic suggestion of subject, but
modified and refined.

Magnolia Club Plans Meeting

Magnolia Community club will
have their Christmas meeting Dec.
2 at 2 p.m. in the Magnolia school.
Mrs. Gil Spear, president, will pre-
side at the business meeting.
Maurice Hooper will talk on "Glam-
ourizing Your Gift Packages."

As has been the custom in past
years, the club will remember the
less fortunate at the holiday sea-
son. This year they have chosen
to contribute to the Penickton
nursery school for blind or parti-
ally sighted children, and will deposit
cash donations in a gaily wrapped
gift box for that purpose.

Christmas carols will be sung
during the evening, and the meet-
ing will close with refreshments
served from a Christmas tea table.
Heading the hostesses for the
evening will be Mrs. K. McClow,
who will be assisted by Mrs. J.
Dobie, Mrs. E. Dyagewski, Mrs. R.
H. Lemcke, Mrs. Wm. Emery and
Mrs. C. S. Johns.

Monnett Club Plans Annual Tea Friday

Detroit Monnett club of Ohio
Wesleyan university will have
their annual tea for present and
prospective students Friday from
3 to 5 p.m. at the home of Mrs.
Fred Birckhill, 17370 Fairway drive,
Detroit.

Local women assisting with ar-
rangements are Mrs. John Sigler,
Mrs. R. S. Fox, Mrs. Logan Milli-
kin, Mrs. Floyd Griffith, Mrs. Dale
Miller and Mrs. Don Voelker.

MRS. W. TISDALE EMERSONS GROUP

At a recent meeting of the ex-
ecutive board of the Birmingham-
Bloomfield branch of the Needle-
work guild of America, at the
home of Mrs. Wright Tisdale,
president, it was revealed that
more garments were donated this
fall than in any previous year.

A grand total of 5,309 garments
or household linens were brought
by members of the ingathering
and have since been distributed
by Mrs. James O. Wright, to the
following charities.

The Birmingham Family Ser-
vice, Pontiac State hospital clothes
closet, Oakland County Red Cross

single family disaster unit, Sis-
ter Kenny Polio hospital and the
Big Brothers of Oakland County.
IN ADDITION to these gar-
ments, 22 aprons were recently
donated to the guild by Kappa
Alpha Theta alumnae. Also,
enough money was donated by
guild members for a substantial
shoe fund.

Membership chairman, Mrs. M.
R. Liles reported that this year's
twenty-four new directors brought
in a total of 848 garments from
their members, or an average of
35 garments apiece.

Dr. and Mrs. Cecil Conrad's
daughter, Judy, will sing in the
junior choir at St. James Episco-
pal church. Their guests for the
day will be Mrs. Conrad's parents,
the Norbert Opps and the Rev. Eu-
gene Snoxell. The Rev. and Mrs.
Kenneth Gass were their guests
Friday for St. Dunstan's play.

Other members of the executive
board who attended the meeting
were Mrs. Robert R. Nadal, Mrs.
Parsons Neff, Mrs. Robert Wood-
ruff, Mrs. George W. Davis and
Mrs. Robert Porter.

BOLD NEW

PONTIAC

with **CIRCLES OF STEEL SAFETY**

This Bold New Body Design
Protects You From Every Angle!

The Golden Jubilee Car

YOU'VE NEVER KNOWN SUCH PEACE OF MIND as you'll feel at the wheel of this new kind
of car! Here, in this Bold New Pontiac, you're protected from every angle by the modern
armored strength of Circles-of-Steel construction. Pontiac's all-new BATTLESHIP-RUGGED
body literally surrounds you—above, below, front and rear—with massive beams of steel!
Moreover, this new fortified body is completely insulated from road sounds and vibration
by rubber mountings that cushion the entire compartment, eliminating all metal-to-metal
contact with the frame! You'll travel in a NEW SILENT WORLD of luxurious security! Of
course, there's more to intrigue you besides this new kind of safety body. You could fill a
book with the fresh ideas in this bold new car! But see for yourself—the whole bright
future of motoring is in our showroom—in the BOLDEST ADVANCE IN FIFTY YEARS.
