Birmingham High School Bulletins

At last week's pep rally, cheerleaders were chosen from each class to lead their own class in a cheer. Sophomore cheerleaders were Mike Miles, Greg Whitbeck, Rod Ruddy, and Steve Smith. Harry Klimushyn, Roger Kissam, Jeff Bettlinger, and Fred Wickham led the junior class. The seniors were led by Dave Ritchie, Buzz Corsant, Howdy Willet, and Pete Brink.

Cicerone club will begin selling personalized mugs which have the school crest on them.

A program was presented by the American field service last Tuesday in the Little Theater. Merit Maaren and Yuki Normura talked about their experiences with the AFS. Betty Nichols and Pete Brink, summer exchange students, showed their slides.

The purpose of the meeting was to acquaint students and parents interested in having an exchange student in their home or going abroad this summer, with the AFS program.

Student Congress is sponsoring a Christmas wreath sale among homerooms to raise money for the American field service. Orders are now being taken. The wreaths will sell for three dollars.

Junior class rings were delivered to school last week. This fact was made obvious by the behavior of the juniors who were always trying to look at their rings and consequently not their usual wide awake selves.

French club had its first meeting last Sunday, attending a French movie in Clawson.

Lunches last week were given the Halloween touch by chocolate cake with orange frosting. Thanksgiving is anticipated with pleasure.

The theme for the school variety show this year is "School Life". Unlike previous years, there will be no emcees this year.

The show's directors, Mr. Angeleri and Miss Arnold, have already picked some of the group and solo acts—Hernando's Hideaway, Alabama Band, the Last Dance, School Days, a hula dance by Pat Henry and Ann Abbot, and many others. It looks like a wonderful variety show this year.

Last week's fashion assembly was a great success. With student models wearing clothes supplied by Birmingham merchants, we were taken on a typical weekend of a BHS teenager and shown up to date fashions.

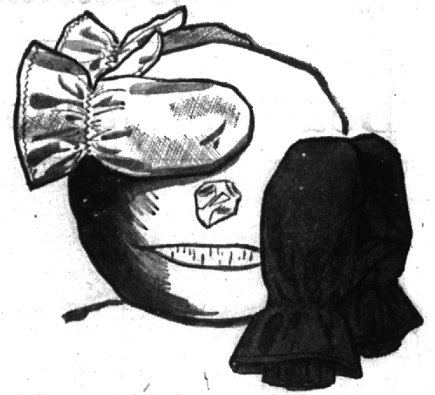

BHS debaters are preparing for their first league debate with Hazel Park. The debate topic for this year is, "Resolved: that direct United States economic aid should be limited to technical assistance and disaster relief."

He who is prejudiced is usually down on something he's not up on.

William Howard Taft was the first U S president to receive a salary of \$75,000 a year.
