Fireside Scene at Vaughan

Lucky pupils of Mrs. Violet Clouse get to sit beside the fireplace (fire going here is not visible in the picture) to read or work on special projects. Their attractive classroom at Vaughan school in Bloomfield Hills is believed to be the only one in the area equipped with a fireplace. From left are Charlotte Nelson, Jim Brams, Richard Ribant and Sue Dunville. Students take turns bringing wood for the fire, which is tended by their teacher. The fourth graders also enjoy their "treasure cove reading club", in which each member gets a coin in his paper treasure chest for each book he reads. More learning pleasure comes from their science projects, featuring displays on animals of the desert, sea and forest.

Dateline: Derby
 By LES CARTER

The first social event at Derby this season, the second annual Halloween dance, was a real success. It was sponsored by Birmingham merchants in cooperation with the Derby Student Council, and featured the music of the Johnny Plus One. The dance was free to all Derby students. Hot dogs, cider, and doughnuts were also provided.

Books of all sizes, colors, and reading-age levels are on display this week at Derby in connection with our Book Fair.

The school was able to purchase at a discount a large assortment of books from the Old Professor book store on South Woodward avenue. The books are currently on display for students and parents to order through the school, and profits from these sales will go toward the purchase of new books for our library.

The large assortment of selections varies from books for small children to current best sellers for adults.

Derby's band brought color and music to the Birmingham High-Fort Huron football game last Friday night when it marched and played at half time. The musicians are under the direction of Mr. Harold Jones, instrumental music teacher. Barnum's band also participated.

Derby Exceeds \$1000 UF Quota
 By LES CARTER

Latest reports by Mr. Thomas Faylor, eighth grade book teacher and this year's Torch drive chairman, are that Derby has passed its quota of one thousand dollars.

Because of sales, raffles, and similar activities, Derby students can certainly boast of their contributions. Students are hoping this year's final total will equal last year's \$1200.

Kingswood Hockey Team Enters Series
 By KRISTINE GILMARTIN

Kingswood's hockey team set its early clock for "bright and early" Saturday, Nov. 2, to attend the world series of field hockey, Hockey Play Day, held this year at Grosse Pointe Convent.

Teams from Grosse Pointe University School, Lawrence and Grosse Pointe Convents, and Kingswood were divided into forward and defense line-ups and played in various combinations.

After the games were over, the committee from the Detroit field hockey association announced the girls who were awarded places on the three teams.

Kingswood players named for the All-Detroit First team were Peggy Mayno and Jane Boggs. Jo Fredericksen, Nancy Tregenza, and Sue Flint are on the All-Detroit reserve team.
