

Lathrup Wins Latest Round In Gas Suit

LATHRUP — Michigan's supreme court reversed a lower court decision in favor of Lathrup in its suit against Highland Oil company which wishes to build a gas station in the city.

"For the reasons previously noted, we hold that the city's zoning ordinance under attack are not unreasonable or unconstitutional," said the court's opinion. "An order may be entered dismissing the writ of mandamus previously issued by the circuit judge (Francis L. Doty)." No costs were awarded.

"The transitional professional classification applied to plaintiffs' 140 feet of frontage is plainly not confiscatory," continued the opinion.

"We noted that at the time of plaintiff's purchase of the land in question, the contemplated use was legally permissible," the court added.

Glenn C. Gillespie, attorney for Highland, said he had no immediate plans for further court action until he has talked with his client.

The site of the proposed gas station is at the northeast corner of Glenwood and California. Gillespie said if Highland could not use the land they would be forced to sell it.

William Murray Is 1st Adult Ed. Opening Speaker

Opening speaker for the Adult Education series sponsored by the West Bloomfield Township Library board will be William Murray, a local man whose accomplishments use the word "international" as a term of praise.

Murray will speak on "The Role of the Movie Maker in Education Today" and will augment his lecture by showing some of his own films.

He has a rich background in many phases of movie making as writer, director and producer in California and Michigan, as well as a deep interest in audio-visual education.

HIS COMPANY, Portafilm was started in California 11 years ago and moved to West Bloomfield township in 1953. The company produces primarily educational films which are circulated throughout the United States and 19 countries abroad.

Of great interest to Oakland county residents should be the fact that most of the films are shot in this area and use local talent.

Murray will speak Oct. 24 at 8 p.m. at the main branch of the West Bloomfield township library, 2801 Orchard Lake road, at Keego Harbor. There will be a discussion period following and refreshments will be served.

Tickets Complete 17-Day Vacation

CHALMERS LAKE — Mr. and Mrs. James L. Tuckett of Wing Lake road recently drove 5000 miles on a 17-day trip west.

They visited Colorado Springs, Denver, Omaha and spent four days at Yellowstone park.

Tuckett has been on several fishing trips this season including two to Ontario. One of the Ontario trips was up in northern Ontario where they travel by rail to the end of the line and then portage with guides to the interior for fishing.

Westwood Charter Commission

Theodore J. Sura (left) last week gave the oath of office to Westwood Village's five charter commissioners. Elected Sept. 16 were: (from left) Chester (Chet) Guilmet; Marvin B. Gline who was appointed chairman; Robert B. Reed, commission vice-chairman; Edward (Ted) Shurtleff; and Hugh C. Allerton, Jr., secretary. Meetings will be held Mondays at 8 p.m. in the 13 Mile fire station.

Two Films Shown At Guild Meeting

BEVERLYLS — The Hannah guild of the Lutheran church of the Ascension held its monthly meeting Thursday night in the social hall. After the business meeting, two films were shown: "How to Do it with Flowers" and "Lives of Their Own."

Refreshments were served by Mrs. Edward Barr, Mrs. C. H. Hilden and Mrs. C. J. Hunt. On Oct. 16, the ladies of the guild will visit the Lutheran home for the aged on the occasion of their "annual coffee."

12 Mile Turn Bans To Be Discussed

LATHRUP — Next Monday's council agenda will probably include room for discussion of right turns off of 12 Mile road onto Guy Place and Bloomfield.

The city's road committee reported that Police Chief Arley Van Meer favored discontinuing the right turn bans Councilman Elizabeth Mitchell also would like the right turn reinstated.

MRS. MITCHELL said that people who have been tax payers in the city for years have complained to her about the inconvenience caused by the no-turn requirements which were designed to keep through traffic off residential streets.

Mayor Lantz L. Mackey said that if it came to inconveniencing a few residents periodically or the residents of those streets involved every day, he would vote to retain the ban.

Newcomers on Ranch lane, Lone Pine Village, Mr. and Mrs. Don I. Creech who formerly lived on Southfield in Birmingham? They have a vacation home here, who will be one in November. The Creechs are members of First Methodist church in Birmingham. Creech is with Manley Bennett Company.

Weekend Accidents Injure 3 Persons

BLOOMFIELD — Three persons were injured slightly in two automobile accidents last week end. Two suffered injuries in an accident at 7:15 p.m. Saturday of Telegraph road at Miracle Mile shopping center.

A car driven by Carrie Ellen Schultz, of Clawson, crashed into the rear of a car driven by Robert P. Beres, 1927 Hubbell, Detroit, sending it into a car driven by Lincoln M. Donnelly, of Standish. Donnelly and Beres were waiting to turn into the shopping center. Ellen Schultz, of Clawson, and Martha MacMauer, 2526 Ivanhoe,

Orchard Lake, a passenger in Beres' car, were treated for shock and lacerations at St. Joseph Mercy hospital, Pontiac.

Carol Dietrich, 5780 Blanford, Birmingham, was treated for abrasions at William Beaumont hospital, Royal Oak, after she lost control and was thrown from her car at 2:53 a.m. Sunday at Gilbert Lake road and Snowshoe circle.

Township police report shows she lost control, going into a ditch and was thrown from the car in attempting to return to the road. Her car continued for two-tenths of a mile, damaging mailboxes and lawns on Snowshoe circle.

\$3 Million Bond Issue For School Additions

By JEAN DAY

SOUTHFIELD—Purchase of a \$3,000,000 bond issue to finance added school facilities for Southfield school district was negotiated at a special meeting of the board of education Thursday.

The bonds were purchased for re-offering to the public by the First of Michigan Corp. and associates, a group of investment firms. Average interest rate is 4.33785 per cent.

It is a 25-year bond issue with bonds callable in 10 years. They will yield from 4.25 to 5 per cent interest. The board named First of Michigan Corp. as low bidder over Ryan, Sutherland and Co. of Toledo, who bid an average rate of 4.58900.

AN ADDITIONAL \$1,000,000 of the \$4,000,000 approved by district voters last June 10 will not be sold until needed for later school expansion.

Glenn Schoenhals, superintendent of schools, stated that the board was pleased with the bonds' interest rate which is lower than expected as school interest rates have been running higher.

Schoenhals pointed out that recent issues in Livonia and Trenton had average rates of 4.67 and 4.58 per cent, respectively. He felt the new "A" rating for the district obtained through Moody's Investment Services, New York, influenced the rate of this issue and also would benefit future issues. Previously the school district was rated "BAA."

The bonds ARE to be printed and should be completed and signed in about 30 days with the money available then, Schoenhals said. The money is earmarked for a 19-classroom addition to Southfield high school with also an extension of the cafeteria, a laboratory and auditorium. Additions of multi-purpose rooms, kitchens and other facilities also are under way for East Southfield and John Grace schools.

The issue also provides funds for equipping Lederle school addition and the new Northbrook school on Twelve Mile road.

THE BOARD ALSO has named Odell, Hiet and Luckenbach as architects for a proposed 13-room elementary school. Future plans, Schoenhals summed up, include purchase of four or five new school sites for later expansion.

At its meeting Thursday the board granted permission to change its original easement for sewer lines on school properties to save trees, where possible.

Two 1957 Ford cars equipped with dual controls for driver training were purchased from Russ Dawson, Inc., for \$1,820 and \$1,610. The cars had been used by the high school since they were new for its driver training courses. Previously they had been loaned by the dealer, who is discontinuing his policy of free car loans.

Photos Displayed At S'field School

SOUTHFIELD—Award winning photographs from the 1957 Scholastic-Anso Photography awards will be on exhibit from Oct. 3 to Oct. 15 at Southfield high school.

Winners were selected from over 30,000 entries submitted by junior and senior high school students throughout the country. From the 90 national award winners, 26 were selected for a traveling exhibition. The pictures will be on view at Southfield from 8 to 4 p.m. daily.
