Bloomfield Village

Solicitors Have Received Final Materials and Plans

Under the leadership of Mrs. J. E. Charbonneau, division chairman for the village for the 1957 Torch drive, the last of the district chairmen held their coffees this week to give materials and plans to the solicitors. This sets the village in complete readiness for the coming drive to start Oct. 15.

Mrs. M. B. Lindquist held a coffee yesterday for 15 solicitors and Mrs. J. E. Frost, Jr., is having hers today for her 14 solicitors.

Mary Christa Gerstenberg, daughter of Mr. and Mrs. R. C. Gerstenberg of Burning Bush, celebrated her sixth birthday Oct. 5 with a luncheon and party for some of her classmates at Brookside school.

For entertainment they enjoyed movies, games and prizes.

Mr. and Mrs. Charles L. Bricker of N. Glenary made a recent trip to Saginaw in quest of guns for the extensive gun collection of Bricker. This is quite a hobby family and 14-year-old daughter Nancy has a large collection of tropical fish and various members of the Bricker kingdom which live in the Bricker basement such as hamsters, "rag-mops" and even a lizard.

Mrs. Bricker is just hoping none of them think of snakes.

A Tuesday afternoon party celebrated the sixth birthday of Chris Hinton, son of Mr. and Mrs. Charles Hinton of N. Williamsbury. At school, Chris treated all his classmates in Miss Nancy Tucker's first grade to cake.

At home he had a party for his neighborhood friends including David Stevenson, Billy Garwood, Paul Connell, Hugh Keefe, Bobby Slater. They saw movies, played games and had ice cream and cake.

Mr. and Mrs. Charles Hinton and daughter Ginni will visit Cornell university this weekend for the homecoming festivities including the game against Syracuse. Attending the university is their daughter, Carolyn, who is a sophomore and majoring in government and international relations.

Mr. and Mrs. Hinton are both graduates of Cornell and are pleased that Carolyn chose Cornell.

Mrs. Daniel W. LaRue of Waddington gave a tea Friday which was a get-together for all the immediate neighbors including two newcomers, Mrs. Jack Butler and Mrs. Edward McGrath, both of Waddington.

Guests of Mrs. Harold Dietrich at a luncheon and fashion show last week at Forest Hills country club were Mrs. John Lahey, Mrs. Wes Kostick, Mrs. John F. Fern, Mrs. John Seibert, Mrs. Arthur Foltz and Mrs. Martin Kostere.

The pledge party of the Lambda Tau Delta society was held Monday evening in Detroit. President of the organization is Mrs. John Hern.

Other members from the Village attending the event were Mrs. Harold Dietrich and Mrs. Wes Kostick. One of the pledges was Mrs. John Lahey.

Sculptors to See Colored Slides

Terra Cotta Sculptors will meet for luncheon at the home of Mrs. Hugh D. Backus on Latham road, Oct. 11.

Mrs. Stuart Webb will act as moderator for the program which will consist of a showing of colored slides taken by three of the members during recent trips.

Mrs. R. E. Clark will give an account of the Syracuse Show and Mrs. William Lowrie will show slides of the Holy Land.

Mrs. Webb will discuss Mexican sculpture and will illustrate her talk with pictures of the works of Mexican artists.

News copy submitted early is necessarily given preference, so the "early bird" usually gets the space.
