Janis & Stier BILLBOARD

Now... suppose you want to build a train board (every boy ought to have a Janis & Stier train board)... or a table... or a bench... or a bookcase... or a... well... anything out of wood. The first thing you-a-anna want is a lumber yard... especially one that sells wood... and there's a gettin' more rare every day. Sooo... think of us... JANIS & STIER... we're a good lumber yard... one of them that sells wood... not all that other stuff usually found in the five and dime stores. Oh... we carry some other stuff too... like hinges... door knobs (we carry these 'cause we make dooo... DANG GOOD DOORS)... locks... and general stuff that ya need when ya make stuff outa wood.

AND... we deliver in case ya can't make it in during our store hours... which we admit ain't very practical... but we like 'em.

Incidentally... if you like purdy wood paneling... why not drop over and take a long free look 'round at our new panels of plywood... they is gorjus.
