United in Candlelight Ceremony

Catherine Bradford (Robin) Reed and William Robert Surridge exchanged nuptial vows before a small group of family and friends at a candlelight ceremony in St. James Episcopal church Saturday evening. The Rev. A. Fletcher Plant officiated.

The couple's parents, Mr. and Mrs. Clyde L. Reed of Cedar drive and Mr. and Mrs. Robert G. Surridge of Glenhurst boulevard, joined them in greeting guests at a reception in the Undercroft of the church following the ceremony.

The bride carried a cascade arrangement of white amazon lilies, stephanotis, and ivy to complement her full length Duppioni silk, long sleeved, princess style gown. A finger tip veil of illusion was caught in a cap of matching silk, decorated with Alencon lace applique to correspond with those on the skirt of the gown.

LYNN REED served as her sister's maid of honor, wearing a yellow chiffon gown with floating panels in the back and a yellow feather band on her hair.

Barbara Aikens, of Bloomfield Hills, and Mrs. Gary Imms of Detroit were the bride's other attendants. They wore full skirted gowns of nile green chiffon with emerald green panels in the back, with matching feather head pieces. They all carried cascades of yellow and bronze Fuji mums.

Mr. Surridge chose his brother, Stephen Z. Surridge, to act as his best man. The guests were seated by Gary Imms, Charles Erickson and Donald Brown.

DR. AND MRS. William D. Robinson of Ann Arbor loaned the kneeling cushions they had used twenty-five years ago to their niece for her wedding. They attended the service with the bride's grandmother, Mrs. William G. Robinson, also of Ann Arbor. Dr. and Mrs. E. D. Surridge of Struthers, Ohio, and Mr. Robert W. Zehring of Silver Spring, Md., came to see their nephew married.

The new Mrs. Surridge pinned a gardenia corsage to her grey and white suit with white accessories as she and her husband left for a trip to northern Michigan. They will make their home in Ypsilanti where Mrs. Surridge will continue her studies at Eastern Michigan college and Mr. Surridge will finish his work at the University of Michigan.

BOTH Robin and Bill were graduates of Birmingham High School in 1954. She is a member of Sigma Nu Phi and he of Theta Xi Fraternity in Ann Arbor.

MRS. WILLIAM R. SURRIDGE

Mrs. Reed wore a rose peau de soie sheath with matching accessories and carried small roses pinned to her purse. Mrs. Robert Surridge accented her beige silk organza gown with bronze accessories and wore a corsage of spotted orchids.

FALL FUNDAMENTALS

1. It is obvious that two people in this area are asleep at the switch because the BAR CART and the BARBECUE CART are still with us. The discount is 25%, the empty bottles are free and the owner can easily get his money back by renting them to advertising studios.

2. It is unwise to fertilize many of the shrubs and young trees with material that will cause soft or new growth. BONE MEAL may be applied later.

3. Root-pruning of non-blooming wisteria vines may prove successful. Worth trying.

4. Plant evergreens now, and keep well watered until ground freezes.

5. This is the best time to transplant dogwood. It is one of the more difficult plants to move. Dig a BIG BALL of roots.

6. We have seen seven plots of grass side by side. Half of each plot received 1 lb. of 10-6-4 per hundred square feet—the other half received 2 lbs. The difference in the grass is so startling that we must insist that the higher rate is essential in obtaining the lawn you want.

7. Next week we believe most of our FALL BULBS will be available to you.

8. Repot your potted CALLA LILIES now.

9. Pick GOURDS before the first frost. Leave 2" of stem and dry indoors.

10. MADONNA LILIES should be planted now. The bulbs are here and are large, solid CHATEAU DE NARCE. $6.00 per dozen.

11. Dig GLADIOLUS CORMS when leaves turn yellow. Cure or ripen for a few days in the sun.

12. Squashes and pumpkins store better if they are thoroughly ripened. Store in fairly warm place.

13. Unusually fine broad-leaved weed control may be obtained now by spraying with a combination of 2,4-D and 2,4,5-T (known as WEED-B-GON). Spray the whole area at the prescribed rate. A trick to try on chickweed is this—as soon as you spray a clump, step, or stamp, or stomp on it to crush the leaves and stems. (Please report to us on the efficiency of this method.) Fertilizing can be done the next day but necessary seeding should wait one week.

14. It really is fun—that is fundamental that we visit New York at the end of this month. If you have any special requirements let us know and we'll see what we can do for you.

15. Do you think it would be alright if we close our store at 5:30 instead of at 6:00 p.m.?

Great Books Group To Discuss JOB

Book of Job will be the "great book" discussed at the first fall meeting of the Birmingham Great Books group to be held in the Baldwin public library Wednesday at 8 p.m.

The discussion group will meet every two weeks and will discuss a new work at each meeting. New members may enroll in the group by contacting the Baldwin public library.

The regular reading assignments give participants an opportunity to do the reading they have always planned to do, then exchange ideas with fellow citizens at the Great Books round table. Sessions are not taught; the great books are the teachers. Members do the reading.

Two co-leaders guide the discussion. Leaders do not supply the answers—the participants do. This technique makes it absolutely necessary for everyone to think for himself.

Society deadline is 3 p.m. each Tuesday.
