

Recreation Round-up

Archery Range

For the women of Birmingham, an archery range is being constructed at Etowah park with ranges up to 50 yards. It is to be ready this weekend. The requirements for participation are similar to those used on the rifle range.

People interested in forming an archery club may contact the recreation department in the municipal building.

Senior Men's club

Senior Citizens' day at the Michigan State fair saw 16 members of the Birmingham Senior Men's club in attendance. This was last Thursday. Transportation was provided by four of the members whose pass included not only admission but free parking as well. There was entertainment similar to that at the third annual convention of the Michigan Senior Citizens held in Lansing last May.

There are many Senior Citizens clubs. Almost every city has one and they are sponsored by the recreation departments of their city or town.

Most of these Senior Citizens clubs, include the men and their wives but the Senior Men's club of Birmingham includes the men only. The Senior Women of Birmingham have an organization of their own which also meets in the Community house.

There were prizes given at the fair for the oldest man there, none of the Senior Men's club won this prize but a Birmingham man, Lee Truax, was runner-up for this event. Truax is well known among the older people of Birmingham.

The fall and winter season of the Senior Men's club was opened by a meeting in the Ranch room of the Community house Friday.

Thirty-one members were in attendance. New members Henry Wagner and William Webster were introduced at this meeting. The next meeting of the group will be Fri-

day at which time the entertainment committee will show a "Jam Handy" sound movie reviewing the history of American engineering. This will be of particular interest to the Senior men's club for many of the members are engineers themselves.

Swimming

Registration for fall Saturday swimming classes will be Sept. 23 through Sept. 27. Phone MI 4-2056, mail or register in person. Please designate class and pool desired.

\$700 in August

Birmingham firemen made 29 runs during August, including 15 for fire investigations and four for first aid.

Estimated loss during the month was \$700, according to a report from Fire Chief Park H. Smith.
