## Mother Fashions Jane Seymour's Wedding Gown

FRANKLIN — Marriage vows and rings were exchanged last Saturday by Jane Seymour and Robert Hamilton Barr at the Franklin Community church with Rev. Robert Searis officiating.

Lee James Seymour, Jr. of Detroit escorted his sister to the altar in the afternoon ceremony. She is the daughter of Mrs. Vera Seymour of German Mill road and the late Lee James Seymour. Robert is the son of Mrs. Ruth Barr of Pinckney, Mich., and the late Robert Barr.

The bride's dress, a waltz-length white French taffeta trimmed with imported lace, was created by her mother and her illusion veil was finger-tip length edged with lace applique and caught in a close fitting small lace cap. She carried white gladioli.

ANN SEYMOUR was her sister's maid-of-honor and only attendant. Her dress of light blue taffeta trimmed with a huge pink bow at the back was also fashioned by Mrs. Seymour. Pink accessories were matched with a bouquet of pink gladioli.

Salvatore Viscuso of Coloma, Mich., served as best man. Ken Perkins and Richard Weldon, both of Ann Arbor acted as ushers.

For her daughter's wedding, Mrs. Seymour chose an emerald green silk tea dress and a corsage of pale green gladioli.

Mrs. Barr greeted guests wearing an alice blue gown with a corsage of deep pink gladioli.

Following the reception in the church parlors, the young couple left for a honeymoon in northern Michigan. They will make their home in Ypsilanti where Robert attends college.

## Chevy gives you more!

Give yourself five minutes beside a Chevrolet, studying the fine details of its Body by Fisher. Take five more on the road, sampling the sweet response of power and smoothness of ride. Be hard to please. A Chevy loves to show how beautifully it's put together—and what it can do for your pride.

No other car in the low-price field tells you in quite such certain terms that it was born for effortless handling. A Chevrolet has its pounds in the right places—keeps its stability and stance, no matter how sharply the road may dip, turn or climb. Its wide-based outrigger type rear springs help it to resist pitch and sway, and move with eager, easy strides. And with its ball-bearing steering, commanding a Chevrolet is simply a matter of your hands giving gentle hints to the wheel. It spoils you—this car with its nimble ways. See it at your Chevrolet dealer's—soon!
