Here's your once-a-year opportunity to get Blue Cross • Blue Shield protection without enrolling in a group

Now, for a two-week period—September 16 to 30—those who are not eligible to join Michigan Blue Cross • Blue Shield through a group can join through this special non-group plan.

No red tape... no physical examination needed. The only requirement is that you be a Michigan resident under 65 years of age.

If you are married, Blue Cross • Blue Shield coverage will protect your entire family... if you are single, you will be covered individually.

And remember... the non-group plan provides many of the broad benefits usually available only under group coverage. They include, after six months' membership, the same new out-patient benefits just made available to Group Members.

But you must act now. This special non-group offer cannot be repeated for at least another year. Clip and mail the attached coupon... no later than September 30... and we'll send you complete information on rates and benefits.
