# Anniversary and Rededication

This tastefully appointed area provides access to the unusual facilities of one of the country's most outstanding establishments.

Beautiful chapels are available to meet every requirement for both size and religious appointment.

For the family there is complete privacy in quiet, peaceful surroundings. Completely private entrances and exits lead to and from these rooms.

The business of arrangement may be conducted in a completely relaxed atmosphere. No detail or request is too small or large to be honored.

On the occasion of our anniversary—one year in our new home, 35 years in your community—we wish to express our sincere appreciation to the many families who have placed their confidence in us. Also, on this anniversary, we feel that it is entirely appropriate that we rededicate ourselves to those principles that have brought honor to our institution throughout the years:

- ☞ A sincere belief in the inherent dignity of man.
- ☞ A desire to serve all, regardless of economic station or religious belief.
- ☞ A determination to provide the personal and intimate services required with understanding, reserve and respect.
- ☞ A willingness to provide facilities that are both beautiful and appropriate, and in keeping with the wishes of the family.
- ☞ And, above all, the hope that we may lighten the burden of the families we serve.
- ☞ To these principles we are dedicated.

You are cordially invited to visit our establishment.

Visiting hours: 9 A. M. to 9:30 P. M. Daily.
