Excitement is mounting for the residents of Troyton Manor as the big day of their annual dinner-dance approaches. A variety of preparations are being planned to make the evening of dining and dancing at Hillcrest country club an event that will long be remembered. The melodic notes of Les Shaw and his orchestra will supply the entertainment. Many of the residents have already sent out invitations to attend pre-dance cocktail parties.

Nine flickering candles topped the cake for Mary Lippard, daughter of Mrs. Harry Lippard of Brooklawn road, when she celebrated her birthday Saturday. **Depict Play Characters**

Members of St. Dunstan's Guild of Cranbrook, who convened at the Pavilion on Lone Pine road Sunday for their semi-annual meeting and reception, were surprised to find themselves surrounded by life-sized figures depicting characters in their first play and posters advertising the sale of season tickets. Mrs. Lewis C. Keenan, Jr., (left) announced that the season tickets, which are a new concept of the Guild, are now on sale for members as well as non-members. Another innovation for the Guild is that all five plays will be open to the public. Mrs. Robert H. Porter (right), president, disclosed that the October play, now in rehearsal, is the rollicking comedy by Moss Hart, "Light Up the Sky" and the November play is Agatha Christie's exciting new murder mystery, "Witness for the Prosecution". Persons interested in purchasing season tickets may do so by contacting Mrs. Keenan, 3620 Normandy, Royal Oak.

**MICHIGAN BELL**

**TELEPHONE lines**

**IF YOUR TEEN-AGERS** are like everybody else's teen-agers, they'll be busier than ever now that school's open again. Why not have an extension phone installed for them—right in their own room? Then they'll be able to keep up with their hectic school and social activities in privacy, and the rest of the family will love the peace and quiet. An extension telephone in your home would cost less than four cents a day. And in a teen-ager's family, there's hardly an easier way to make everybody happy.

**OF COURSE, the kids** aren't the only ones who'll be busy this fall. With P.T.A., service clubs and church affairs all going strong, the whole family is pretty active. Think how hard it would be to make plans and keep track of things without your telephone! And wouldn't you be lost without the day-to-day help your phone gives you with all the little important things? Like that call to the hairdresser's for an appointment, or the call from your youngster, telling you he's stopping at Billy's after school.

**THIS MONTH** marks the 60th Anniversary of the United States Independent Telephone Association, representing more than 4,400 companies across the nation. They serve over nine million telephones, working in partnership with the Bell System to provide Americans with the best telephone service in the world. In Michigan, 116 telephone companies joined in celebrating Independent Telephone Week, September 8 to 14. Michigan Bell salutes these independent companies on the 60th birthday of their association. Side by side we build for Michigan's future, working together to bring people together.
