Franklin Social Briefs

Nothing stirs the blood in Franklin like a good community party and everybody's worked up a full head of steam for Saturday's Bar-B-Q and Round-up.

Just about every able bodied citizen has been recruited into performing some task that day: to man the games, to serve the dinner, to parade down "main street", to sell tickets—it's an all-out effort for fun.

However, in the midst of all the fuss, the Nicholas Rosiellos of Colony Hill serenely went about the business of having their fifth child, Aug. 29. Robert Louis was accommodating enough to arrive while his two brothers and two sisters were visiting relatives in New Jersey. They returned Saturday to greet their newest member and get ready for school.

The Mas-Millers of Franklin road were undaunted by Labor day traffic and damp weather and spent the holiday weekend at their newly-finished summer place near Empire on Lake Michigan. There is genuine pride of accomplishment here as the whole family pitched in this season and finished up the cottage project ahead of schedule.

The weekend also held a rare treat for the Dick Lewis family of Crestwood. Somehow, the busy publishers were able to take the whole family to Caserville for a belated summer holiday—together.

Franklin lady golfers who distinguished themselves on the links this summer were awarded trophies at the Women's Suburban Golf association banquet held Aug. 28 at Glen Lake golf club. In the Tuesday league, Mrs. Ellis Premo of Willowgreen was second flight winner and Mrs. Lloyd Greenleaf of Wing Lake road was runner-up in the same flight.

For the Friday league, Mrs. Greenleaf was also runner-up in the second flight, with Mrs. Paul Balster of N. Greenbrier low runner scorer for the association.

Three new families have moved into Franklin. Welcome to Irena and Richard Jay, who moved to their home on Bloomington from Lathrup Village with daughter Robbin, 15, a soph at Birmingham high, and sons, Rickey, 12, an eighth grader at Derby, and John, 7, who will be in the second grade at Franklin school. Jay is branch manager for American Roach Co. in Detroit.

The Calvin Browns, who had certainly get started up in the road-going fracas last month, have at last moved into their new home on Wellington with their two children, Hobby, 4, and Chuckie, 1 1/2 years old. A sales engineer for Treat's Industries in Detroit, Brown and his wife Jean are close friends of established Franklinites the Peter Finns and the Pree Doziers.

In the former Woodburne home off of Telegraph Dr. John Burger and his wife Helen, formerly of Royal Oak, are busy enrolling two of their children in Franklin school. John, Jr., is 6 and Martha Catherine, 5, will be in kindergarten. At home will be Paul, who is just 3, and 10-month-old baby, Sarah. Dr. Burger is an internist with offices near Woodward and Fourteen Mile road and was formerly with Ford Hospital.

Mrs. Orland Ellis has a healthy respect for bees after her ordeal recently when she developed a severe allergy brought on by a lone bee sting. She merely stepped on a bee in her yard and within minutes found herself seriously poisoned.

Back to school again (sigh)—Miss Sue Roseberry held a swim party and Sunday night supper for some of her classmates last week end, just to catch up on things and take the edge off the gloomy prospects of books and lessons after a carefree summer.

Fire Contract

LATHRUP—(city council agreed to a fire contract with Southfield township which will cost the city \$25,358 for fire protection the first year and an additional amount, depending on the amount of building that takes place in the city.

Franklin WNFG Branch Meets

FRANKLIN — The Franklin branch of the Women's National Farm and Garden association will begin its fall activities with a membership tea at the home of Mrs. Roy Nelson, 28294 Wellington, in Woodcreek, Monday from 1 p.m. to 3 p.m.

All of the newcomers and anyone in the community interested in gardening are most cordially invited to attend and meet with the returning members. There will be a short business meeting and the program for the coming year will be reviewed.

Mrs. J. Becker is hostess for the day and her co-hostesses are Mrs. Henry Arit and Mrs. Paul Swan.

AUGUST 21 seven members, Mrs. Swan, Mrs. Carl Williams, Mrs. Robert Swift, Mrs. Roy Nelson, Mrs. Harry Huettner, Mrs. Philip Wright and Mrs. Paul Ziegelbauer, president of the Franklin WNFGA, journeyed to Lansing to attend the fifth annual workshop garden party.

Mrs. Swift submitted a floral arrangement for one of the luncheon tables. The group report is a morning of fun and education spent in reviewing the finer points of flower care and design. Franklin had one of the largest delegations in attendance.

Franklin Police Discuss Traffic

FRANKLIN — Traffic control was the subject for study and discussion Wednesday night when members of Franklin's volunteer police force met with Michigan State Police Sgt. Mike Sieble at the Community hall.

Special attention was given to the problem of handling heavy seasonal traffic which develops in village roads during fall and the winter season.

VILLAGE MARSHAL Dick Ford says additional training in the next few weeks will prepare his department for the busy weekends in view.
