

'Tis Spring

When Very Young Men's Fancies Take Them into Adventureland

Once again it's Outdoor Time for the very young in heart. Once again Spring is getting out her new raiment. And this is the signal for young boys to get out, too.

Like this adventuresome lad and his not-so-venturesome pals, Adventureland is where opportunity and imagination meet. Huckleberry Finn and Tom Sawyer found adventure rafting down the Mighty Mississippi. Birmingham Eccentric photographer Les Line found this lad who had to settle for a short trip down the Franklin River in the village of the same name.

But what matter . . . to a boy, adventure really has no size!

Madame, when your husband fails to respond, cheerfully and even affectionately, to your arts and words, when he sits down to the meal you have lovingly prepared for him and he seems unappreciative of your efforts . . . Madame, don't give up the day. Probably the old fat young or some where in between just is just thoughtless for the moment. Keep on smiling!
