Birthday parties at Easter time are such fun when given for the Easter Bunny group. Claudia, daughter of the Paul Semars of Middlebury lane, celebrated her sixth birthday last week with 20 of her friends as guests.

A rabbit cake centered the table with bunny favors at each place. Since this was an Easter party there had to be eggs hidden for them to find.

Another bridge group that meets regularly in the area believes that no time should be taken out for just eating, so they simplify it by making while playing.

Mrs. Leonard Bellison of Rockshire drive will be hostess this evening. That final score is discussed when "just coffee" is served.

This was a "real live bunny party." Each little guest of young Lorry Watts went home with a bunny rabbit to feed and take care of.
