**Southfield
Hi Notes**
By JUDY CADDELL

Eleanor Nelson, math teacher at Southfield and Betty Dechaine, physical education teacher at Bloomfield Hills high school, left the Thursday before Easter on a four-day jaunt to the Allegheny mountains.

Mardi Gras, the Pep club dance, featured the crowning of "Tex," Tom Ridley. The group at the dance held Friday evening enjoyed the music of the Dixielanders.

Tom Ridley returned to school the Wednesday following Easter vacation. Prior to his return Tom spent some time at the University Hospital in Ann Arbor for an operation on a clipped disc.

At an assembly Friday W.H.R. made a tape recording of speeches by Diane Butler, Janet Donald, Joyce Mowers and Paul Stanley for Junior Town Meeting. The panel discussed the pros and cons of multiple diploma system in high schools.

The junior class board selected a number of class rings to an exhibit. The rings will place their orders for the juniors in a week of two.

Daniel Julien of the speech department accompanied his debaters to Wayne university for a debate conference on Monday. On Tuesday Pershing high school gave a debate and banquet. Southfield debaters were guests.

On the Southfield teaching staff, Miss Virginia Bryan became engaged last Friday. Robert Hall, principal, attended the North Central association meeting. He reports that Southfield is on the approved list. Beermann firehaker attended a science convention in Denver during Easter vacation. He has received a summer scholarship to Case Inst. of Tech. Wilbur Steinke has received a full scholarship to Western Michigan college for the summer session.

Benneth Hall was one of the 1341 mathematics instructors who attended the national council of teachers of mathematics in Cleveland last week. High light of the meeting was a talk given by Professor Morris Kline of New York university wherein he said he objected to "modern methods" of teaching in the United States, and stated that schools should devote the first two years of high school in developing and creating interest in mathematics.

Robert Ewart of Southfield, a senior, was one of the eight students who was granted a scholarship as a result of scoring among the top 40 in the state mathematics test.

Miss Virginia Hammond who returned last week with her group of French students from a trip to Montreal and Quebec, will take her Spanish students to the Spanish fiesta at the University of Michigan today.

Barbara Craig, who was one of the French students on the trip to Montreal and Quebec, did a little shopping in the French quarter before returning to Detroit via train. Barbara bought two dozen French pastries. They turned out to be so tasty and attractive that Barbara and her seat-mate on the train finished off a dozen. She still had enough to treat the family when she arrived home.

and SUE SUNDBERG

The Bloomfield Hills high school PTO met Tuesday in a very unusual way. Every school club and activity, from the Basketball club group to the girl scout group, turned out to display for the parents. The very successful meeting was designed to familiarize the parents with the extra-curricular activities at school.

Punch Ann Lindbloom entertained 10 friends for dinner last Friday night. The dinner preceded the final dance presented by the Bloomfield Hills center.

club's taffilion club. Her guests included her date, Warren Sumner, Gay Firth, Pete Green, Joan Swick, Jack Palmer, Andy Galt, Chuck Mezes, Gretchen Rader and Gordon Walker. Punch and Warren won first place in the jitterbug contest.

One week ago today the Wayne-Oakland League student council met at the new Milford high school. The student hosts gave a small party for their guests. A short business meeting commenced the evening, followed by a movie and dancing. Representing Bloomfield were Chuck Mezes, Sue Sundberg, Joyce Adams, Gordie Walker, Ruth Donnelly, Jayce Ryan and Ted Thompson.
