The auxiliary even teaches on a two-month-old, has done a remarkable amount of work in a short time toward the general improvement of environment of "skid row" quarters for the unfortunate of the Rescue Mission.

The ladies have lunch together and then sew on bedding of all kinds and night clothing for the men.

The mission itself will celebrate its fiftieth anniversary next year but never before has had the benefit of the "women's touch."

The work of these ladies is strictly voluntary, both in time and materials and they appreciate donations of pillows, blankets, quilts, rugs, draperies and men's clothing from anyone who cares to contribute. They would also welcome any new members.

Amazing preparations made
from the source of life give
your skin a second start
in beauty

Perhaps once in ten years there's a scientific discovery that revolutionizes the beauty world. Such a discovery had to happen before you could own these new preparations—DuBarry Crème Natale and Elixir Natale.

These amazing cosmetics act swiftly to soften, to tighten... they seem to smooth out tiny lines and wrinkles. They give your complexion a tone that's fresher, a texture that's finer, a look that's incredibly younger.

Their secret is as simple—yet as complex—as the secret of life itself! It is a vital substance DuBarry calls Placentine... a rich combination of the very proteins, vitamins, enzymes and esters that help promote skin cell growth before birth. Placentine penetrates to the cellular layer of the skin. Instantly, it starts to increase the flow of natural oil and moisture... coaxes a youthful elasticity into the skin... helps banish the drying, faded look of age!

No matter what else you use, smooth on the Placentine Preparations once each day. They help your other cosmetics do more for you. And they give your skin—immediately—a miraculous second start in beauty!

Crème Natale is a classic complexion cream actually compounded with the pre-birth vitamin and mineral ingredients that help promote the growth of healthy skin. It is formulated to wear by night. Price 7.50*

Elixir Natale is a lotion made with the same precious ingredients. It is formulated to wear by day, or as a lighter nighttime treatment. Price 7.50* plus tax
