Girl Wins Wings As Stewardess

Joan Prior Cummings, daughter of Mr. and Mrs. Jack Prior Cummings of Westchester road, Birmingham, has won her wings as an American Airlines stewardess and is currently based in New York.

Miss Cummings was graduated from America's new million-dollar stewardess college at Ft. Worth, Tex., after a course of training which included such subjects as flight operations, principles of meteorology, navigation, radio techniques, airline schedules and many others.

She is one of the several hundred stewardesses to be employed by American Airlines during 1968. New routes and increased schedules have made necessary the expansion of American's stewardess corps.

One of the largest COMPOSING ROOMS of any Detroit Area Printer

typical uses:

- reproduction proofing (for offset paste-ups)
- advertising typography
- company publications (printing from type)
- heading blow-ups
- dealer imprints
- foreign languages

We feel that good typography is a very important factor in the production of a quality printing job. So we have purposely developed facilities to make good typography available as part of our regular service. In succeeding, we have created within our business one of the largest composing rooms of any printer in the Detroit area.

We offer, on a day and night operation, a complete service consisting of machine and hand composition, reproduction proofing and the finest typographical make-up of any printer in Metropolitan Detroit. This recommends us for your favorable consideration on two counts: First, the obvious benefits of size and, secondly, you pay no unnecessary middleman costs when you place your job with us.

Upon request, we will be happy to furnish a type specimen book showing our wide range of both machine and hand faces.
