Sees Family After 20 Years

WING LAKE — It has been twenty years since Mrs. Walter Boehm of Worthington road last saw her father, two sisters and a brother, who live in Berlin, Germany, where she too was raised. Mrs. Boehm returned July 29 from a 12-week trip abroad to visit her family and tour Europe. Leaving here May 9, she sailed from New York aboard the SS

America, landing in Bremerhaven, Germany. She took a train to Hamburg and from there flew to Berlin.

HER FIRST month was spent visiting her family. Then she and her sister, Alice Hansen, of Berlin took off for a month's trip through Europe. From Berlin they flew to Stuttgart and from there, took three, four and five-day tours. First they visited Switzerland, the Black Forest and Chamunin in the French Alps. Most impressive to them was Mont Blanc, the highest peak of the Swiss Alps.

The second tour took them thru Switzerland to Lucerne, Italy and on to Lake Maggiore. Following a week's rest, they toured Austria, Brenner Pass and Venice and then returned to Austria and Western Germany. They went back to Berlin, where she again visited her family for a week and then embarked for home aboard the SS America.
