

For Daddy's Little Girl

Daddy's Little girl falls in love at an early age. First with him then with dresses.

Some day she will want a real diamond, Daddy, but right now she likes the sparkle of a perky dress... perhaps with a sprinkling of silver threads woven with diamonds.

Maybe a frock that is pleated and outlined in embroidered scallops, or "The Tier" with lace and embroidery, or perhaps a "little pilgrim" with an "umbrella" skirt.

There are things that every little girl knows... that she looks like a flapper in the dress that has all Paris embroidered on its skirt.

She's as good as gold, Daddy, so buy her one with striped gold threads and fagoting... belted in gold, too.

You, little girl so sweet and neat, will have Daddy at your feet when you wear a Kate Greenaway dress. This one is a woven lavender and white check with lace and eyelet embroidery. It has a self-trimmed fluffy collar, elasticated push-up sleeves, buttons down the back and has a perky ash bow. It is made in sizes 2 to 6x and sells for \$7.99. It's available in Birmingham. To find out where, call shopping information, MI 4-1106.
