Ski Club Membership Snowballs

Since the area was hit with all the snow last week, it seems somewhat appropriate that we discuss Bloomfield's newly formed Ski club.

For several years, Mount Holly Resort has been promoting the formation of a group of skiing enthusiasts, but there has always been the problem of getting a school advisor. This year, after extreme prodding, Mr. Gregory, the journalism teacher, reluctantly accepted the position as advisor.

A MODERATE response was hoped for when membership was opened, but the rush astounded everyone. In no time at all the group swelled to 50 applicants and more students are signing up all the time.

Ski trips will be taken all through the winter, and all will be to the Holy run. For the more than 50 members of the club, the novice or pro could want will be furnished; skis, boots, poles, everything. By the way, you don't have to know HOW—lessons are in that three bucks too.

If you're interested, contact Mr. Gregory in the journalism room or see a member for information!

NEWS AND VIEWS OFF THE RECORD

"The Chipmunk Song" by David Seville, formerly rated 'D', will probably be the biggest Christmas song of the year. Sheb and the Fouries have a new gem called "The Purple People Eater" from Santa Claus. It's one of the worst yet.

Only two records broke into the record top ten, while such old ones as "Topaz II" and "Cannon Ball" retain their positions. Next week, I think, the picture should change.

We should be hearing much more of "The Chipmunk Song." "The

Lancers Defeated In Inter-Scholastic Volleyball Meet

By CHRIS GRYSON

The Bloomfield junior high school inter-scholastic volleyball team lost its third game Nov. 24 to Bloomfield senior high.

An all-school assembly was held Nov. 25, 2nd hour. Principal Mr. McGuire talked first on the school's high academic record.

He later suggested students from each grade organize a group that would organize parties and fund-raising activities.

Miss Ballinski, the 9th grade advisor, Mr. Kevers, the 8th grade advisor and Mr. Bunker, the 7th grade advisor told qualifications for these offices. Each group is to have a president, vice president, treasurer and secretary.

In order to run for these offices a student must have a C or better average and must not be a Student Council member.

Students are encouraged to start petitioning either for themselves or a student of their choice. Each petition requires 25 signatures.

All students wishing to vote for the nominees must register from Dec. 17 either before or after school or during one of the three lunch hours. If students are not registered, they will not be allowed to vote.

Mrs. Oskins held a newspaper meeting Nov. 24. Preparations for the next newspaper are being made.

Boys' basketball teams are being organized for a series of games, possibly slated in the evenings.

Report cards were taken around Nov. 26 to classes for teachers to sign. The cards were taken home Wednesday to parents.

It was turkey dinner time Wednesday and Thursday for B'field Hills students. Before the vacation the lunch menu hinted of Thanksgiving. This, of course, was enjoyed by all!

A true squash can be identified by the cylindrical, smooth, rather spongy fruit stem. Pumpkins have a hard, woody, rough stem when mature.

"A House, a Car and a Wedding Ring" by either Dale Hawkins or Mike Preston, which ever version you prefer, is beginning to move. I still hold my conviction that this record will be big. If in doubt as to which record to buy, Dale Hawkins has a strong flip side.

"Don't You Know Yokomo" and "Well, I'll Be John Brown" by Huey Smith will, despite lack of plugging, become a hit. "Yokomo" is currently selling, but the "John Brown" side has hardly been heard by anyone.

During the Christmas—New Year's holidays this column will run a musical review of 1958, including the top 25 of the year, and the top performers.

250 Derby Students See 'Lil' Abner'

By SUE BREEDLOVE

Four of Derby's ninth grade English teachers, Mrs. Hockley, Mrs. Sharnard, Mrs. Peters and Mr. Phillips, took 250 students to see "Lil' Abner" Nov. 25 at the Riviera theater. Parents provided the transportation and helped chaperone the group.

Kitty Stark had a dinner party for the members of Mrs. Hockley's fifth and sixth-hour class before the play.

The Derby chapter of the National Honor Society met Nov. 29 and voted to sell Sander's candy to raise money for the induction of new members at the end of the school year. The sale will begin after Christmas. Buyers will receive candy free and the satisfaction of helping to honor deserving students.

The Braille system of reading for the blind was invented by Louis Braille, a young Frenchman who was blind himself. He died in 1852 when 43 years of age.
