Bloomfield Village

Dr. and Mrs. Chauncey Burke of Gleanery Circle attended a dinner party Saturday evening at the home of Mr. and Mrs. Arbie Thacker of Bloomfield Hills.

Two weeks ago Mr. and Mrs. Walter Kuckelman and daughter, Mary, left for a month's vacation at the Ambassador hotel in Palm Beach, Fla.

Last Saturday they returned to "get warm" in Michigan. Having spent their vacation there for several years, they didn't think it possible that it could be as cold as it was said to be. However, they found it even colder than has been indicated in the forecast.

They were not able to participate in any outdoor activities in two weeks there so finally cut their vacation short and returned.

George Horn, son of Mr. and Mrs. J. P. Horn of Gleanery road, celebrated his fifth birthday Feb. 15, with a party for 10 of his friends.

Lunch was topped off with ice cream and a birthday cake.

Lecture Series Registration Deadline March 1

"Do you wonder if your children are material possessions to successful family life? As you realize the shortcomings in your marriage, do you know how to think positively about altering the situation? What qualities should you be developing in your children to prepare them for parenthood?"

These were questions put to Oakland County Demonstration Council, Michigan State Extension Service, as Mrs. W. J. McCarthy, Family Life chairman of the Council, urged members and their friends to join with Donald Schroeder, director of Family Life, Detroit Council of Churches, and a group of 25 couples when they discuss these vital problems facing many families today.

This series of lectures is open to the public. They are being presented by the Extension Service in an effort to help couples create a more satisfying home life for themselves and their children. Reverend Schroeder will give the lectures, talking about developing maturity in our children, handling tensions in the home, and growth toward adult maturity.

Each lecture and the movie, "Roads of Happiness," will be followed by discussion guided by a professional person, in a small group.

These lectures are scheduled for 8:15 p.m., March 11 and 27, April 10 and 17, in the ranch room of the Community House.

Advanced registrations must be made by March 1 with Mrs. Franklin Penn, 1903 Derby, Birmingham.

Wayne Educators To Discuss 'Home Climate'

BEVERLYS—Three prominent educators will discuss the "Climate of the Home" following the presentation of an American Theatre Wing play, "Scattered Showers," at the Beverly PTA meeting Tuesday night.

Leading the discussion will be three Wayne University faculty members, Dr. John C. Sullivan, professor of educational psychology, Dr. George D. Barahal, associate professor of educational and clinical psychology, and Dr. Chester A. McCormick, associate professor of education. Audience participation will be invited.

The play, one of a group of plays for parents by Nora Sterling, will be directed by Mrs. Peter Decker. Other Beverly parents, Mrs. T. R. Willis, Mrs. Donald Dittchen and Mrs. George Gerhan, Jr., will enact the parts of three mothers with widely divergent views on child training.

Advanced registrations must be made by March 1 with Mrs. Franklin Penn, 1903 Derby, Birmingham.
