Barbara Miller, daughter of Mr. and Mrs. Don E. Miller of Burnham road, was awarded last week by the Alumni association of Michigan State University that she has been awarded a four-year tuition scholarship.

Barbara has been a student at Bloomfield Hills high school since 1947. To that school she attended high school in Royal Oak.

Although details concerning the scholarship are not available as yet, the Millers presume it came as a result of tests which Barbara took earlier this year.

She spent the past weekend in Lansing where she took examinations which may lead to a broader scholarship with all expenses paid for four years.

During the weekend Barbara attended a luncheon and dinner and spent the night in Gilbert dormitory at the invitation of the Honor department of the English department.

Barbara's father received a similar scholarship when he was a high school student at Northwestern high school in Detroit.

Houseguests at the home of Mr. and Mrs. H. D. Mellum of Orchard Bend the past weekend were Mr. and Mrs. Jack Houtsman of Grand Rapids.

Among them were the president, Mrs. Gladys Carl and the secretary-treasurer, Mrs. Carl Kueker. Mr. and Mrs. Rayman and their son, Ricky, entertained a small group over the past weekend. ## Ice Skating Trip Becomes Reality For Whipples

WING LAKE FARMS — An ice skating trip planned by Mr. and Mrs. Merle B. Whipple and family of Navajo court became a reality the weekend of Feb. 8 and 9.

Having postponed it for several times, they finally went regardless of the heavy snow and low temperatures, to Houghton lake where they had rented a shanty well in advance.

They were obliged, however, to take one much nearer the shore as the snow was so high that the ones farther out on the lake were completely inaccessible.

With reports that it was the coldest weather and the winds were the highest Houghton had ever had, they braved the elements and ice-fished but caught nothing.

It was just too cold for the fish to come up to bite. However, they reported a wonderful time and seemed undaunted even though it was their first experience at the sport.

The family group consisted of Mr. and Mrs. Whipple, their married son and wife, Mr. and Mrs. Rex Whipple of Lansing, son, Doug and daughter, Pam, who is just 10.

Whipple's son, Rex, is a junior at Michigan State University and his wife studies voice at the university and is secretary in the Home Economics department.

Their son, Doug, is a junior at Wayne State university.

To accomplish this weekend with the whole family together was a real challenge what with dodging semester exams at two universities and trying to outwit the weather.

## Wing Lake Social Briefs

Friends of Mr. and Mrs. Jack Irvine of Worlington road enjoyed cocktails with them before attending the Wing Lake school ITO square dance Friday evening at Bloomfield Hills high school.

Their guests were Mr. and Mrs. Ed Fuller, Mr. and Mrs. Ray Pfeiffer and Mrs. Cecil Cook all of Wing Lake and Mr. and Mrs. Leigh LaChapelle, Mr. and Mrs. Orm Hay, Mr. and Mrs. George Fischer and Mr. and Mrs. Dave LaSalle, all of Detroit.

Preceding the Wing Lake school square dance Friday evening cocktail guests of the Norman Dickersons on Wing Lake road were Mr. and Mrs. Harry Odle, Mr. and Mrs. Bill Bowman and Mr. and Mrs. Jim Pfalzer, all of Worlington road and Mr. and Mrs. Jack LaFrette of Franklin road.

Cecil Cook and sons Jeff and Johnny motored to Ashby, Minn. Thursday to be there for the Friday celebration of his mother's 90th birthday.

The arrival of her son and grandson was a complete birthday surprise for her but both boys also got a big surprise. The morning after their arrival they awoke to find the temperature 30 degrees below zero. Michigan seemed warm to them after that.

Mr. and Mrs. Harry Odle of N. Worlington road attended the gathering of their super club in Mr. Clemons' garden evening.

For a number of years the group has met in one another's homes, enjoying supper together followed by an evening of bridge.

Houseguests of Mr. and Mrs. Raymond Shaw of Sherringham road last weekend were Mr. and Mrs. John Butt of Huntington, Ind.

Mr. and Mrs. Jack Irvine of Worlington attended the "Callers Round-Up" square dance in Fennell Saturday evening.

Some 500 people were present at this annual event sponsored by the Fennell recreation department. Callers from all over the area take turns calling the dances.

Tickets to the dance are available only through established square dance clubs making the entire dance assembly for the accomplished dancers.

This makes for a satisfying and gay evening for those who love to dance.

If all the snow stationary in the various yards around the Wing Lake area were displayed together, it would make for quite a collection. Particularly in view of the

fact, that many of these snowmen, snow horses, forts, etc. were built over a month ago.

This serves to remind us that Mr. Snowman and his cohorts are enjoying a long survival period this season with a flock of black crows having taken over one such figure as a permanent perching facility.

Mrs. Earl Stanford and son, Jimmy, of Worlington road have returned from Florida where they have been since November. With them was Mrs. Stanford's mother, Mrs. James Cornett of Maumee, Ohio.

They took a house in Bradenton, near Sarasota where Jimmy enrolled in school and they settled down to enjoy a warm, comfortable winter. One of their fondest memories of their venture is Christmas day which was warm and beautiful and they spent it on the beach.

But after spending most of the time confined to the house because of weather too cold to enjoy the out-of-doors, they finally decided to cut their time there short and return.

They report the beautiful floral blooms, palm trees and orange groves just a solid brown due to the freezing weather which, in itself is a depressing sight.

(Coming home to sub zero temperatures, at least is in keeping with the hard-freeze scenery of Michigan for this time of year.
