FAILURE!!

Our "BEAT THE CLERK" Game was able to get rid of only about 195 items . . . or about one-half of the lovely things we had left from our purchase for last Christmas, last spring, the Christmas before last, the summer when Junior became 8 years old and . . . believe it or not . . . the HAM NEEDLE . . . which was here when we started business in 1947! SINCE spring is just around the corner (by comparison it was almost here today, January 10th) and we still want you to share in these GOOD THINGS we are changing the disposal from a GAME to a SALE.
