Appeals Board Grants Swimming Pool Request

SOUTHFIELD—An appeal by Albert Langer, 24283 Telegraph, for an additional 50-feet to be used commercially and industrially for storage, building and parking at 24279 Telegraph has been approved by the Southfield township zoning board of appeals.

A house already exists on the property and Langer wants to install a boiler in the building to heat water for a swimming pool model which will be displayed for the sale of pools.

THE BOARD has ruled that the appeal be approved for 50 feet; that a temporary permit for use of the house be granted for two years and that a boiler be installed temporarily, providing the room is fire-proofed.

In other action, an appeal by Edward B. LeFevre for the waiver of side yard requirements on a house to be built in Cranbrook Village subdivision No. 2 has been approved subject to a letter from Lockwood, the subdivision owner, voicing approval.

LeFEVRE HAS told the board his lot decreases in width from the front to the rear. He says the proposed house would have the necessary total of a 30-foot side yard at the front but would lack approximately seven feet at the rear.

Lockwood has agreed to the change orally but will not give written approval until the house plans have been finally approved.
