## **Back Seat Drivers** Can Be a Real Help

Want to live longer?

Here's one method: Become buddies with that person fidge and the party of the back seat of your car—or right there beside you, for that matter.

"Two heads are better than one when they're behind the wheel of a car," the National Seetey Common called back-seat driver may hold the solution to the traffic actioning more relaxing," the same control of the solution to the traffic actioning more relaxing," the same control of the solution to the traffic actioning more relaxing," the same care of your kids at the solution to the traffic actioning more relaxing," the same care in favor of motorist who is to the traffic action in the solution to the traffic action in the same problem.

"But with the help other passengers in the care and present the term "back to angaging "advice" from the rear understandably takes a dim view of inserference with his driving, "BUT WITH the proper spirit on both sides, back-seat drivers can be a real help," the Council says.
