

Baptism of Fire

Westwood's public safety department fought its first fire last week—and won. Safety Director Robert Murphy said damage to the home of Virgil Burgess, 18906 Bedford, was limited to about \$5,000 July 1 because of prompt and efficient action by both Westwood and Southfield city de-partments. The fire started in the closet of an upstairs bedroom and was limited to that area although smoke and water damaged the entire home. (Photo by Thomas White.)
