Top Gal Golfers Tee Off June 26 For U. S. Crown

Patty Berg, Betsy Rawls, Jackie Pung, Marlene Bauer Hagge, Gloria Armstrong, Louise Suggs, Alice Bauer—names very familiar in the sporting world and names that will be even more familiar to Birmingham area sports fans before the end of June.

These girls—some of the world's greatest women golfers—and many other top members of the feminine links set, both professional and amateur, will invade Bloomfield township's Forest Lake country club this month for the USGA Women's Open, being held in Michigan for the first time in history.

THE FIRST of the contingent of touring women pros will arrive in the next few days to begin practice on the Forest Lake course.

By the start of the four-day tourney June 26, more than 100 women golf stars from all parts of the nation will be on hand to vie for the classic's championship.

The Eccentric here presents photographs of some of the outstanding women golfers whom you will be able to see in action this month at Forest Lake.

The years from babyhood to maturity are attended by countless hours of loving care and sacrifice by most parents—especially the Mothers. Why is it too often, then, that so many children, when they move into their own adult dwellings, fail to maintain unceasing respect and devotion to their parents? Can an unloving offspring beget love from his own children?
