SACK SILHOUETTE

She floats through the air ballooned by each breeze,

The daring young girl in the high-style trapeze,

Her actions, though graceful, no boy does she please

all males despise both trapeze and chemise.

IMPERI

The senior partner appraises Imperial's portfolio

His clients marvel at his talent for making right decisions. Only his partners know that his appraisal of Imperial was as thorough as if the car were a new bond issue.

as intorough as it the car were a new bond issue.

Even though he approved of what he sue, he probed much deeper than handsome lines and righ interiors.

He drove Imperial. Found instruments and controls so nicely placed he scarcely had to look to find them. Imperial's torsion har suspension gentled him over

neglected roads, pulled him tracklike around tight curves. hejset Auto-Pilot to mind his expressivary speed and hold it steady while he let his right foot rest. And he realized that, in every way, this car was tuned to him.

Each morning now, the doorman swings open the black LeBaron's door and smiles . . . , and thinks, "Old J. C. keeps looking younger every day."
