telephone lines

by AL WARNER, Manager

A YOUNGSTER WALKED into a drugstore and asked for a job. "What's your name?" asked the druggist. "Alexander Graham Bell," replied the boy.

"I guess that's a pretty well-known name, son."

"It ought to be," said the boy. "I've been delivering groceries in this neighborhood for two years now."

EVEN ALEXANDER GRAHAM BELL himself (the inventor, not the delivery boy) couldn't have guessed how important his invention would become to us. The phone plays a part in just about everything you do. Take your vacation, for example. When it comes you'll want to be able to relax and enjoy yourself. So take care of all the worries beforehand, phone ahead to make all your reservations or let friends know when you'll arrive. It'll be such a weight off your mind and for such a small cost!

A GROCER FRIEND tells us the story of a lady who called him about an order. "Please bring some of your snap beans to the phone," said the lady. The grocer, who takes everything in his stride, complied. "Now break one," she commanded. He did, and a sharp "pop" went over the wires. "Fine," said the lady, "send me three pounds."

THE REASON WE mention this incident is to show that there isn't any end to the telephone's usefulness. Every day someone hits on a new way of saving time and money with the phone.

PARTING SHOT! Drive so that your driver's license will expire before you do.

A garage is one important thing we really can't postpone!

but how'll we get the money?

with an **INSTALOAN**

It's the easy, low-cost home improvement loan that lets you repair, remodel or rebuild and take up to five full years to repay. There's no need to put off a necessary new room, new kitchen, bath or garage. And it's never wise to put off home improvements, like painting, that might become more expensive the longer they're postponed. You can borrow up to \$3,500 at National Bank of Detroit to protect—or improve—your property. Ask your dealer-contractor about an Installoan, or simply stop in any of NBD's 61 friendly offices. Either way insist on an Installoan, exclusive with NBD.
