Lathrup Discusses A & P Parking Lot

LATHRUP—Stephen Zippy, real estate manager for the A & P stores told council members Monday that adjoining property owners had agreed to vacate an alley to give the proposed store more parking space.

Complaining that brick construction was expensive, Zippy asked permission to build the required 5-foot wall of cement blocks instead of brick. The council said cement block construction was not allowed in Lathrup.

The council said it would prepare an amendment to the zoning ordinance to allow for parking zones. A public hearing will be held later on this and the question of vacating the alley for the A & P lot.
