Assisting Student

Dr. James H. Fisher, assistant professor of geology at Michigan State university, helps Richard Hartt, geology senior, son of Mr. Bert Hartt of Beach road, Birmingham, conduct an experiment in petroleum geology. Dr. Fisher holds a soil sample for visual identification, enabling the student to determine possibilities of petroleum content before actual analysis. To learn how the major oil companies speculate, the students are divided into laboratory groups and actually bid for land and plan exploration and development of the fields.

Earl A. Ward Honored At Mercy College

Mr. Earl A. Ward, vice president in charge of purchasing for the Ford Motor Company, Dearborn, Michigan, will address the Honors Convocation at Mercy college on Tuesday night, May 27 at 8 p.m. The Honors Convocation, part of the 12th annual Commencement week exercises at Mercy college, are in McAuley Auditorium on campus, 8200 W. Outer Drive.

MR. WARD has chosen to address the graduates on the subject, "The Search for Wisdom." In his remarks, Mr. Ward will point out the need to maintain the lively curiosity fostered in college; to be eternally vigilant to keep separated the difference between wisdom and knowledge and, for the benefit of the undergraduate, to absorb everything college has to offer NOW, for after graduation, life crowds in so fast there is rarely time for formalized study.

Following his address, Mr. Ward, a member of the Mercy College Lay Board, will be presented with a "Citation of Merit" from Mercy College by Sister M. Lucille, R.S.M., president, which reads in part . . . "As a business executive of excellence, he has taken as his guiding principle the conviction that any nation's greatest resource lies in its intellectual commonwealth.

"HIS INTEREST is a promise that . . . . the truly American pattern will continue to be represented in private education. His absolute and unflinching devotion to the ideal of service has long been deserved . . . .

Mr. Ward lives at 650 Lone Pine road, Bloomfield Hills, is a member of the Bloomfield Hills Country Club.

To Hear Michigan College President

Dr. Edgar L. Harden, president of Northern Michigan college at Marquette, will be commencement speaker Thursday, June 12, at Bloomfield Hills high school.

Approximately 100 seniors will receive diplomas in the exercises to be highlighted by Harden's talk, "One Thing I do."

An educator and former industrial executive, Harden is known for his work in guidance and counseling. He became president of Northern Michigan college in 1956 after serving as dean at Michigan State University.

Prior to affiliating with Michigan State in 1946, he was executive vice president of American Drop Forge company.
