DATELINE DERBY
By TOM WOODWORTH

Derby's unbeaten track teams retained their perfect records by downing Norup junior high of Berkeley last Friday night. The seventh, eighth and ninth grade teams all won by substantial margins.

After hard campaigning for the last few weeks, candidates for student council offices for next year were presented before the student body in an assembly held Thursday morning. They were introduced by their campaign managers and this year's student council president, John Velegar. The balloting among the seventh and eighth graders took place Friday morning. The winners are Tom Heydon, president; Jennifer Jackson, vice president; Carol Walker, secretary, and Dick Beaubien, treasurer.

Plans are being made for a ninth grade graduation dance, to be held in late May or early June.

The "Derby Dateline," Derby's school newspaper, will publish one more issue this year. Miss Elaine Dickie, the paper's supervisor, reports it will come out sometime in June.
