Cross for New Church

All the king's horses and the Env. Karl Boehme had a rough time trying to erect this 1100 pound steel cross last week at the new Lutheran Church of the Stepped River now being constructed at Maple and Middlebelt. Workmen of the Boehme Construction Co., Kalamazoo, are constructing the $120,000 contemporary building, finished the task after several hours work. The new church, scheduled for completion by Easter of 1958, will house 500 worshipers. Mr. Boehme is pastor of the congregation, which was organized in 1956 with 21 charter members. There are now 115 adult members plus 113 Sunday school children. The church has this temporary headquarters at the Eagle school, Farmington.

Annual Harvest Festival

Mrs. Charles J. Carlin (Mrs. B. C. of Crocker Village) and Mrs. Thomas Nickerson, 4311 W. Orchard Hill, Birmingham, are very much these days. They are making dyepots and Christmas decorations for the annual Harvest Festival to be held at the North Congregational church Dec. 15. Dolls, wreaths, Christmas trees, holiday cocktailing and other activities will be on sale at the fair, which is being sponsored by the Women's association of the church. The festival will be held from 10 a.m. to 6 p.m. and there will be a pet show for children at 2:30 p.m.
