Ultimatum

(Continued from Page 1-L)

over the city for one dollar every thirty minutes and that for six dollars. The city is not interested in this property because of its location and the fact that it is not on a main road. The city would not be interested in this property because of its location and the fact that it is not on a main road. The city would not be interested in this property because of its location and the fact that it is not on a main road. The city would not be interested in this property because of its location and the fact that it is not on a main road. The city would not be interested in this property because of its location and the fact that it is not on a main road. The city would not be interested in this property because of its location and the fact that it is not on a main road. The city would not be interested in this property because of its location and the fact that it is not on a main road. The city would not be interested in this property because of its location and the fact that it is not on a main road. The city would not be interested in this property because of its location and the fact that it is not on a main road.
