“Meet Me at Northland at 7:10 p.m. Friday!”

Santa Claus will arrive by "Train"—the Christmas Unlimited Special!

Yes! If a regular wing-ding affair it will be when Santa chugs in on his special Choo Choo. Long about 7 p.m., you'll see him coming, via Northwestern Highway from 8-Mile Road. He'll come in over the box cars on the west side.

Abound his train will be a boy and a girl Santa's helper who will take the train on the 100,000 Christmas lights. Bob Stempel, of WYX, will be master of Ceremonies and broadcast the gala ceremony. There'll be several groups here to sing in the opening of the Christmas season at Northland. Of course, you'll hear how this marks the opening, too, of Santa's wonder-filled glee on Northland Center's Big Terrace where he will be reaching out to his friends 6-30 a.m. to 9:00 p.m. until Christmas Eve.

Pictures (black and white) will be snapped of all children entering Santa's glee center. Children are welcome at the door. Program arranged for your enjoyment by the Merchants of NORTHLAND CENTER Chamber of Commerce 8-Mile, Northwestern and Greenfield Roads.
