

Evergreen

(Continued from Page 1-A)

But communities to the south—principally Southfield—twice voted down its membership.

THE FOUR communities to the north were under increasing pressure from the state water resources commission to cease their pollution of the River Rouge. It appeared the Big Evergreen might never come into being, so the N. Evergreen authority was formed.

When Southfield voted later to become a city, the state then applied pressure here. To escape Southfield agreed to a South Evergreen. Under the county DPW's urgency, the Big Evergreen was designed, a considerably better economical arrangement than the two

B'ham Kiwanis Club Ready for Ready

"Interesting and Unusual Wave Lengths" is the subject of a talk planned for the Dec. 2, meeting of the Birmingham Kiwanis Club. Fred W. Ready, special applications coordinator for the Detroit Edison Co., will discuss invisible wave lengths and their germicidal effects on airborne and surface bacteria. He also will describe the manufacture of fluorescent lamps, and explain the varying effects that colored lighting—including black light—has on certain materials.

Dec. 15 Hearing On Opening of Fairway Drive

Opening of Fairway drive, from Pleasant to Arden lane, will be discussed with residents at an informal hearing Dec. 15 before the Birmingham city commission. Officials believe this may be a better access to many landlocked lots than a driveway through or around the city's Lincoln well pumping site.

Request for relief has come from D. H. MacAdam, 1768 Northlawn, who has asked the city to provide driveway access to one of the interior lots.

New base-coat discovery
keeps nail polish on up to twice as long!

Greatest nail base-coat advance in 15 years!

Revlon's 'WONDER-BASE'

Manicure-tested by 28,486 women in 118 beauty salons . . . and test after test proved that if your nail polish usually lasts three days, now it will last five or six days. And if your nail polish lasts five days, now it will wear seven or eight days. 'Wonder-Base' forms a strong film that "grips" nail polish firmly. That's why it combats chipping and peeling. It goes on quickly, easily . . . dries almost instantly. Now you can have well-groomed fingertips every day! Just 1.10*.
