WE THANK THEE, Oh Lord, for the freedom to serve Thee in our own way and in our own Faith. We give thanks that we are pharmacists and for the privilege of practicing our profession in this community. We are thankful, too, for the new friends we have made and for the old friendships we have strengthened—thankful that in our particular way we can contribute to their health and happiness. For these, and for the blessings which Thou has bestowed on this land of Liberty, we give our devout gratitude on this Thanksgiving Day.

NEWS AND VIEWS OFF THE RECORD
Spotlight record of the week is "Gotta Travel On" by Billy Grammer. The hill-billy flavored record that should go all the way in the pop field, is being plugged in Detroit. I predict that this will eventually make Detroit's top ten as well as the nation.

The Platters started it off about four and a half years ago and now they are rated standards in the pop music field. Very seldom waxing rock and roll, the five have found his in the ballad and old standard field.

Four years ago it was "Only You," then came "The Great Pretender," "Heaven on Earth," "My Prayer," most recently, "Twilight Time" and now "Smoke Gets in Your Eyes." "Smoke" is definitely their strongest side since "Twilight Time" and, in my opinion, will be one of the greatest ever.

For country and western fans last week's "Billboard" was the year's review of country music. They found Johnny Cash the outstanding male vocalist, Don Gibson the most promising male artist, and "Oh Lonesome Me" by Don Gibson the most popular C and W record of the year.

Barnum Joins 'Coke' Campaign For Clinton High

By PATSY GORDON

"Give up a coke for Clinton" has been the slogan heard in the halls of Barnum this week. A special meeting of the Student Council was held Nov. 20. Sue Ellis told students about the plan to help raise money to build the bombed Clinton, Tenn., school. This is a student-help-student plan whereby pupils are encouraged to give up a coke and donate this money to buy bricks for this building.

Mr. R. Vannette, Barnum's assistant principal, lives in Lake Orion with his family. Mr. Vannette attended Muskegon junior college, Western Michigan university and the University of Michigan. He was counselor at the high school in Lake Orion before coming to Barnum.

New to the Barnum faculty this year are Mr. Agorek, Mr. Gentile and Mr. Horan.

Mr. Agorek, an arithmetic teacher, attended Western Michigan university at Kalamazoo before coming to Barnum. He majored in mathematics and minored in physics.

les and drafting. He now lives in Royal Oak. He is originally from Pennsylvania. The icebreaker East Wind was his domain for three years, while serving in the U. S. Coast Guard. Mr. Agorek is interested in all sports.

Also new in the arithmetic department at Barnum is Mr. Gentile who graduated from the University of Detroit. There, he majored in mathematics and minored in history, social studies, and English literature. He now lives in Detroit. Bowling and swimming are Mr. Gentile's special interests.

Mr. Horan, also of the arithmetic department, graduated from the University of Detroit where he majored in mathematics and minored in English and social studies. Born in Detroit, where he now lives, Mr. Horan attended Detroit's Cooley high school. He is interested in baseball, with a special interest in foreign cars.

Barnum's former principal, Mr. Herbert Hengst, is now living on a farm near East Lansing, while working on his doctorate and teaching at Michigan State university. Sundays he preaches at two rural parishes.
