Get all the best of all the new ideas all in one car!

EXCLUSIVELY YOURS—WIDE-TRACK WHEELS

The wheels moved out 3 inches for the widest, most stable stance in America—better cooling for engine and brakes—lower center of gravity for better grip on the road, safer cornering, smoother ride. You get the most beautiful road ability you've ever known—in America's Number 1 Road Car!

You get the mild quality of Body by Fisher.

You name it—Pontiac has it...the year's most important advances in style, safety, handling and performance. And they're topped by a Pontiac exclusive...Wide-Track Wheels! Everything about this new kind of car was designed to give you driving as you've never known it: Air-Cooled True-Contour Brakes for precise, unvarying control in stop after stop after stop...spacious vista-jouge interiors with seats wider than a sofa and full circle visibility (the Vista-Panoramic windshield curves clear up into the roof).

And there are two great new engines to choose from—the Tempest 420 for the ultimate in V-8 action and response...and its money-saving companion, the Tempest 420E, a big muscular V-8 that uses regular gas and delivers better mileage than many smaller cars with so-called "economy engines". Sizzling?—the newest, lowest look on the road—protected by Magic-Mirror non-fade finish. There's much more—come see for yourself—all the wonderful new ideas in America's Number One Road Car!
