

# Fate of Fort, Ship Still Clouded in Mystery

Once Michigan's ancient forts were outposts of an empire and great European Wars were fought over them. But the years have passed and the early market of the white man and mystery clouds the story of Fort Miami perhaps more than most of the 17th century French stockades.

We know where it was built, hard by Lake Michigan in the city of St. Joseph at Ship Street and Lake Blvd. But we do not know when the fort ceased to be, or what became of the most legendary Griffon, first sailing vessel on the Great Lakes, which was to have

supplied the outpost.

Once the Griffon, Sieur de La Salle, built Fort Miami in a time of need in November of 1679, the "Tour de Conseil" was at the mouth of the St. Joseph river. With the story of Fort Miami perhaps more than most of the 17th century French stockades.

We know where it was built, hard by Lake Michigan in the city of St. Joseph at Ship Street and Lake Blvd. But we do not know when the fort ceased to be, or what became of the most legendary Griffon, first sailing vessel on the Great Lakes, which was to have
